Foreword

As we reflect on the academic year 2023-24, I am filled with immense pride in the accomplishments of our university community. This year has been a testimony to our unwavering commitment to excellence in education, research, and community engagement.

In the face of ongoing global challenges, our students, faculty, and staff have continued to demonstrate their dedication to advancing knowledge and fostering an environment where creativity and critical thinking thrive. For the first time students of Post Graduate degree of all disciplines have carried out research as a part of their curriculum. This was aimed at enhancing critical thinking and creativity of students by real world problem as their research topic. This Annual Report provides a comprehensive overview of the milestones we have achieved together, highlighting the remarkable progress made in various fields of study, as well as the significant contributions of our research to society.

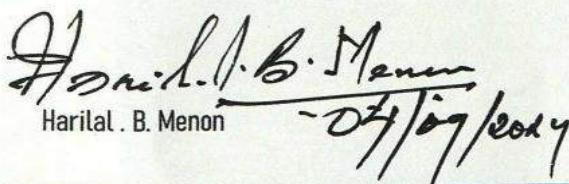

One of the most notable achievements this year has been our university's success in getting an amount of Rs.100 crores under Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) scheme. This will help us in expanding the infrastructure facilities for a conducive atmosphere for academic and research activities. Moreover, we have also expanded our collaborations with international institutions. These collaborations will not only enrich our academic programs but will also provide our students with unique opportunities to engage with real-world challenges and develop solutions that have a lasting impact.

Our commitment to inclusivity and diversity has also been a driving force behind our success. From the current academic year onwards, Goa University will be offering UG degrees exclusively for physically disabled people. To achieve this Goa University has signed a MoU with Ali Yavar Jung National Institute of Speech and Hearing Disabilities (Divyangjan), Mumbai. Thus earmarking significant strides in creating a more inclusive campus culture, ensuring that all members of our community feel valued and supported. We recognize that our strength lies in our diversity, and we will continue to foster an environment where everyone has the opportunity to succeed.

As we look forward to the future, we remain focused on our mission to educate the next generation of leaders, innovators, and change makers. In this regard a Research park with Bio, health and IT incubators is established. The progress we have made this year is a testament to the hard work and dedication of our entire university community. I am confident that, together, we will continue to push the boundaries of knowledge and make a positive impact on the world.

I would like to extend my deepest gratitude to all those who have contributed to our success this year, our students, faculty, staff, alumni, and partners. Your dedication and passion are what make our university a truly remarkable institution.

With warm regards,

Harilal B. Menon - 07/07/2024

MAJOR HIGHLIGHTS AND ACHIEVEMENTS OF GOA UNIVERSITY	478

INTRODUCTION

Goa University has experienced steady and continuous growth ever since it was founded in 1985. The university has expanded significantly in terms of its facilities, schools, departments, new programs and courses, number of affiliated colleges, and accredited institutions. Goa University has proven to be incredibly flexible in recent years, and the achievements of its faculty, staff, and students all attest to its dedication to academic success.

The total faculty strength of Goa University is 212. This includes 11 Senior Professors, 26 Professors, 18 Associate Professors, and 157 Assistant Professors.

The extensive range of extracurricular and academic activities offered by the University and its affiliated colleges and institutions is depicted in the Annual Report. The University Campus offers a dynamic academic environment that is demonstrated by the research projects, publications, participation in and leadership of international seminars and workshops, and recognition of exceptional accomplishments such as prizes and honors. The readers of the Annual Report are also given highlights of the accomplishments and activities of the connected Colleges/Institutions.

In addition to looking forward with hope and resolve, we also consider the accomplishments of the previous year. We shall keep innovating and adapting to give the pupils the best resources and instruction possible.

We express our gratitude to Prof. Harilal B. Menon, our honored vice-chancellor, for his unwavering encouragement and assistance in releasing this report. We are appreciative to the Deans of the Schools, Department Heads, University Centers, and Principals of the Affiliated Colleges for supplying the Committee with the data for this report. We are grateful to the university's stakeholders for the shared success.

- Dr. Aditi Naik attended One Day Workshop on 'Research Grant Writing' organised by GSHEC, GSRF and DHE on 9th September 2023
- Dr. Aditi Naik attended Programme on Vriksha Vygnanika Sadassu on 21st April, 2024 at Raj Bhavan Goa.

Any extracurricular activity or sports, etc., organized for students:

- Dr. Siddhi Jalmi organized Botanica Event for the students of Goa University and colleges across Goa, with various competitions like debate competition, photography competition, dance competition, fashion showsetc, on 16th February 2024.

- Dr. Aditi Naik and SBSI (M.Sc. part II Botany) students distributed 500+ saplings to students, staff, and locals at the Goa University campus on 11th August 2023.
- Dr. Aditi Naik and SBSI (M.Sc. part I, Botany) students and Botany discipline faculties organized the Science-day event 'Botanical Horizons' competitions on 28th February 2024.

Discipline of Zoology

Faculty (Full-time):

Dr. Nitin S. Sawant
 Dr. Minal Desai Shirodkar
 Dr. Avelyno D'Costa
 Dr. Shanti N. Dessai
 Dr. Shamshad Bi Shaikh
 Ms. Gandhita Kundaikar
 Dr. Preeti Pereira

Visiting Faculty: NIL

Major Trust Areas:

Dr. Nitin S. Sawant: Ecology, Biodiversity, Wildlife, Herpetology
 Dr. Minal Desai Shirodkar: Ornithology, Avian acoustics, Wetland ecology
 Dr. Avelyno D'Costa: Ecotoxicology, Genetic toxicology
 Dr. Shanti N. Dessai: Animal physiology & Cell Biology
 Ms. Gandhita Kundaikar: Aquaculture, Fish Nutrigenomics
 Dr. Shamshad Shaikh: Nanoscience, Animal Physiology and Animal Cell Culture
 Dr. Preeti Pereira: Marine Biology and Taxonomy

Ongoing Research Projects:

1. Dr. Minal Desai Shirodkar: Study to know the present status and propose measures to improve the bird diversity in Salim Ali Bird Sanctuary, Goa. Funded by Department of Science and Technology Waste Management, Goa.
2. Dr. Preeti Pereira - SERB-TARE funded project entitled Taxonomy, regional-scale diversity and geographical distribution of Marine sponges (Phylum Porifera) from the West coast (Maharashtra Goa and Karnataka) of India"

Seminars, Conferences, workshops, etc. organized:

- A. Pre-bird Festival Event in collaboration with Goa Forest Department on 24th and 25th January 2024.
- B. A Workshop on 'Techniques in Wildlife Biology' was organised on 12th-14th March 2024 at SBSB Auditorium.
- C. A 3 day hands-on workshop on Herpetology was organized from 7th to 9th February, 2024 funded by the Ministry of Environment, Forests and Climate Change.
- D. A lecture was organised on 'Reef Fish Science- Basics of Taxonomy and career opportunities' delivered by Dr. M.P. Goutham Bharathi, Fisheries Ecology Specialist, King Abdullah University of Science and Technology, Saudi Arabia on 28th June 2023.
- E. Dr. Preeti Pereira jointly coordinated a One day state level workshop on ANimal

behaviour and Cognition, organised by Harmal Panchakroshi SHikshan Mandal's Ganpat Parsekar College of Education in collaboration with Directorate of Higher Education, State of Goa and School of Biological Sciences and Biotechnology, Goa University on January 5, 2024.

Conference Presentations, Lectures, etc.

1. Dr. Nitin Sawant

- Invited by Vijayananda High School, Mayem for Bird awareness programme at Dr. Salim Ali Bird Sanctuary.
- Resource person at “Vidnyan Dhara: A Mega Science Series 2023” organized by DHE AND Goa state higher education council to celebrate National Science Day.
- Lecture at Carmel college, Nuvem as part of the celebration on G20 Presidency of India: District level neighborhood youth parliament organized by Nehru Yuva Kendra, north Goa (Ministry of youth affairs and sports, Government of India).
- Resource person for World environment day at St. Michael Higher Secondary School, Taleigoa
- Resource person at three- day training Programme for secondary school teachers training interdisciplinary areas subjects organized by State council of educational research and training, Porvorim.
- Invited talk on “Bird Tweeter: Neural Processing of Speech Sounds and its Applications in Autism Spectrum Disorder” for SNCI, 2024, MINI-SYMPOSIUM ON NEUROSCIENCE, Organized by Society for Neurochemistry India, at University of Hyderabad, Telangana, India, held on 3rd February, 2024.

2. Tejashri Mahale and **Minal Desai** presented a paper entitled 'Feeding preference of Sunbirds in Goa, India' at Bombay Atomic Research Centre, Mumbai on 3rd December 2023.
3. Dr. Preeti Pereira participated and presented a paper (poster presentation) in the Animal Taxonomy Summit 2023 (ATS 2023) entitled 'Descriptions of poorly known marine sponges (Phylum Porifera) from the Andaman Islands India with notes on their ecology' organized by the Zoological Survey of India held on 1st to 3rd July 2023 in commemoration of 108th Foundation Day.
4. Dr. Avelyno D'Costa delivered a lecture on "Research Methodology and Plagiarism" organized by Department of Zoology and Research and Development Cell, Dhempe College of Arts & Science, Miramar on 18th August 2023.
5. Dr. Avelyno D'Costa was a resource person for online two-weeks Refresher course in Zoology on the theme "Genotoxicology: Introduction" organized by Teaching and Learning Centre, Ganpat Parsekar College of Education under the PMMMNMTT scheme (Ministry of Education) from 16/09/2023 to 30/09/2023.

Discipline of Biotechnology

Faculty (Full-time):

- **Kerkar, Savita** Ph.D., Senior Professor, Biodiversity & bioprospecting of bioactive compounds from salt pan bacteria. Probiotics & Bioremediation of metals using hypersaline aerobic/anaerobic bacteria.
- **Ghadi, Sanjeev C.** Ph.D., Professor - Applied Enzymology, Genetics and Molecular Biology, Bioinformatics
- **Samant, Sanika Darshan** Ph.D., Assistant Professor, Bioremediation and Bioprospecting and nanomaterial studies.
- **Tiwari, Dharmendra Kumar** Ph.D., UGC-Assistant Professor-Biosensor development, Biomaterials, Nanomaterials for biological applications, fluorescent protein engineering and Light microscopy.
- **Prabhu, Meghanath Shambhu** Ph.D., Assistant Professor-Marine-Algae Biotechnology, Environmental Biotechnology, Fermentation Biotechnology, Sustainable Development.
- **Volvoikar, Dviti Lavesh** M.Sc., Assistant Professor-Microbial physiology, Industrial Microbiology, Agricultural Microbiology, and Immunology.

Visiting Faculty: Contractual faculty:

- **Samantha D,'Mello, Fernandes**: Ph.D., Biotechnology Assistant Professor-Biotechnology, Aquaculture Biotechnology, Marine Immunology & pathogenesis, Probiotics, nutriproteomics in aquaculture, Food technology.
- **Snesha Bhomkar**: M.Sc., Assistant Professor- Biotechnology, General Microbiology, Oceanography, Marine Microbiology, phytoplankton ecophysiology Plankton studies.
- **Snigdha Mayekar**: M.Sc., Biotechnology, General Microbiology, host-microbe interactions, Insect microbiome, Biocontrol agents, Agricultural biotechnology

Major Trust Areas

- Cloning of Agarase and other polysaccharide degrading enzymes and therapeutic potential of oligosaccharides.
- Endophytic bacteria from insectivorous plants and bioprospecting Marine Viruses.
- Genomics and metagenomics studies of microorganisms from marine ecosystems
- Xylanases, Cellulases, amylases, lipases and proteases of potential importance from marine microorganisms.
- Biodiversity & Ecology of hypersaline bacteria, Sulphur oxidizers & reducers., Bioremediation of heavy metals., Bioactive metabolites from marine bacteria.
- Seaweed biorefinery concept and fermentation technology for sustainable use of marine macroalgae.
- Biosensor development, Nanomaterials for biological applications, fluorescent protein engineering.

Ongoing Research Projects:

Project Investigator	Status	Title	Funding agency	Grant (Rs. in Lakhs)
Prof. Savita Kerkar	Ongoing	Bioprospecting of Goan saltpans to identify indigenous pigment producing bacteria suitable for food & pharmaceutical application	DBT Project	43.97/-
Prof. S.C. Ghadi	Ongoing	Bioprospecting for active biological oligosaccharides produced from marine polysaccharides by bacterial CAZymes	DBT Project	65.50/-
Dr. Meghanath Prabhu	Ongoing	Seaweed biofilter system for sequestration of heavy metals from industrial wastewater	GSRF	20.8/-
Dr. Meghanath Prabhu	Ongoing	Technology development for struvite and ammonium sulphate production from cow urine	Goa University	0.5/-

Seminars, Conferences, workshops, etc. organized

- **Seminar** was organized by the School of Biological Sciences and Biotechnology (Biotechnology Discipline) on structure and function of plant mediator complex, delivered by Dr. Jitendra Thakur from International Centre for Genetic Engineering and Biotechnology (ICGEB), New Delhi, on 19th July 2023; held at Biotechnology seminar hall, Goa University.
- **Seminar** was organized by School of Biological Sciences and Biotechnology (Biotechnology Discipline) on Microbiome: A gold mine of opportunities;

delivered by Dr. Yogesh Souche from on 24th July 2023, held at Biotechnology seminar hall, Goa University.

- Discipline of Biotechnology School of Biological Sciences and Biotechnology organized a **seminar** on: Navigating your career post-graduation, delivered by Dr. Salma Buddaseth Senior Director Business Intelligence, Owkin-New York on 20-12-2023, held at Biotechnology seminar hall, Goa University.
- The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, organized A Three-day **workshop** on Ornamental fish keeping, induced breeding and marine entrepreneurship, from 8th – 10th February 2024.
- The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, organized a **workshop** on ZOTERO-Your personal research assistant. Resource person: Dr. Nitin Dhupdale Assistant Professor Department of Community Medicine, GMC Goa. On 25th August 2023, held at Biotechnology Seminar Hall, Goa University.
- The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, Goa University in Collaboration with Vidyan Parishad, Goa (ViBha) organized seminar on "Mother Knows it all: Mother-Infant Microbiome Connection" Resource Person, Dr. Yogesh S. Shouche, Scientist Emeritus and INSA Fellow, On 14 March, 2024 at 3:00 p.m. At Chemistry Auditorium, Goa University.
- Dr. Meghanath Prabhu, was Faculty Coordinator SBSB, Goa University, and GU-IIC Member, Organized a sessions on Entrepreneurship as career opportunity for Students & Faculties 1: How to plan for Start-up 2: Accelerators/Incubation – Opportunities for Students & Faculties – Early stage Entrepreneur, delivered by Mr. Kiraan Mehta Head, Incubation & Innovation, FiiRE on 30 th August 2023.
- Dr. Meghanath Prabhu, Asst. Prof., SBSB was a part of Workshop on “Mushroom Cultivation & Waste Management Techniques” to create awareness and encourage the student community of nearby college (DCTs Dhempe college, Miramar) towards skill development and entrepreneurship opportunities in Mushroom cultivation. (Outreach Activity) 25/02/2024.

Students on Roll:

Conference Presentations, Lectures, etc.

- Mrs. Dviti Lavesh Volvoikar presented a paper (oral) titled "Isolation of Magnetotactic bacteria from the aquatic bodies of Goa", at International Conference on Microbiological Research: Current Challenges and Future Perspective- 9-11th 2024 held in Dept. of Microbiology, Bharathidasan University, Tiruchirappalli.
- Dr. Meghanath Prabhu conducted a session for Vidnyan Dhara 2024, on 30th January 2024 at Gomantak Ayurveda Mahavidyalaya & Research Centre, Shiroda, titled "Green seaweed biorefinery for sustainable development".
- Mrs. Dviti Lavesh Volvoikar served as a resource person at Government High School Mulgaon, as a part of Vidyan Dhara Lecture series; delivered a lecture on "Extremophilic Microorganisms and its Biotechnological Applications", 16 February 2024 .
- Mrs. Dviti Lavesh Volvoikar served as a resource person at Tagore educational Institute, Kothambi Pale, as a part of Vidyan Dhara Lecture series; delivered a lecture on "Extremophilic Microorganisms and its Biotechnological Applications", 14 February 2024.
- Dr. Meghanath Prabhu delivered a talk on Green seaweed biorefinery for sustainable development at Dhempe college of arts and science, Miramar Panaji Goa as part of Biospectrum science lecture series on 14th Feb. 2024.
- Dr. Meghanath Prabhu was an external expert during interview for Junior Research Fellow in DST sponsored project, titled "Combination of Constructed Vertical flow Wetlands, Microalgae Photobioreactor and Microbial Fuel Cell (KIT) for wastewater treatment in small pig production farms", Project no. DST/INT/PORTUGAL/P-03/2021 (G) at BITS Pilani K K Birla Goa Campus, on 16.12.2023.
- Dr. Meghanath Prabhuchaired a session at the national conference on recent advances in plant sciences and Biotechnology held during 26th and 27th October 2023 at SBSB Biotechnology (Botany discipline), Goa University.

Guest Lecture Organized

- The Discipline of Biotechnology School of Biological Sciences and Biotechnology organized a guest lecture on "Translational studies for transforming traditional knowledge to commercial formulations" by Dr. Anirban Pal, Chief Scientist , CSIR-CIMAP, Lucknow. on 7th March 2024.

Webinars/Workshops Participation

- Dr. Meghanath Prabhu participated in Research Grant writing workshop organized by GSRF in collaboration with DHE, Goa on 09.09.2023 at DHE Porvorim Goa
- Dr. Meghanath Prabhu attended Workshop on 'Learning Outcomes-based Curriculum Frameworks' conducted by Prof. Gabriel Simon Thattil, Dean, Faculty of Commerce & Director, IQAC, University of Kerala., organized by Goa University
- Dr. Meghanath Prabhu coordinated and participated in Workshop on “Innovating, Designing, Modeling, Characterization and Simulation of Materials and Bio-Molecule using in Silico Solution Suite, Atomistic Simulation Advanced Platform (ASAP), J-OCTA and PRinS3” organized by Institution’s Innovation Council (IIC), DI3P and DRDRM of Goa University in association with DHIO and Prescience Insilico.
- Mrs Dviti Laves Volvoikar from Goa University, Taleigao Plateau, Goa, attended a Research Writing Workshop from 03-07-2023 to 08-07-2023 and obtained an A grade organized by D-RDRM and UGC-HRDC Goa University.
- Mrs Dviti Laves Volvoikar completed the NEP 2020 Orientation & Sensitization Programme under the Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by UGC-MMTTC, Goa University from 08.05.2024 to 17.05.2024
- Mrs Dviti Laves Volvoikar attended a Two-day workshop on "Innovating, Designing, modelling, Characterisation and Simulation of materials and Biomolecule using in silico Solutions organized by D-RDRM and DI3P , Goa University on 18 and 19th January 2024.
- Mrs Dviti Laves Volvoikar attended Whole Genome Sequencing (NGS) DataAnalysis (Online) organized by Negenome BioSolutions Pvt Ltd, INDIA from 8-9th July 2023.
- Mrs Dviti Laves Volvoikar successfully completed a three-day Advanced Workshop on DeNovoRNA-seq Profiling and annotation (Online) organized by Negenome BioSolutions Pvt Ltd, INDIA. 22-24 September 2023.
- Mrs. Dviti Laves Volvoikar volunteered and participated in one day seminar on,”Advances in Waste Management for Sustainable Future held on 20th February 2024.

Lectures on other occasions: NIL

Honors:

- Prof. Savita Kerkar was awarded the Salt Pan Conservation research award 2023 given by Goa State Biodiversity Board on 23rd May 2023.
- Mrs. Dviti Laves Volvoikar was appointed as an IQAC committee member of the Govt. College of Arts Commerce & Science Khandola Marcela Goa as a Nominee of Alumni on 22nd May 2024.

Student Activities

1. School of Biological Sciences & Biotechnology, Goa University (Biotechnology Discipline) conducted session on Alumni Interaction on 15th December 2023 with Mr. Ajoy Shaw Director, Plateaux Vintners with a lecture on Lecture on "How to be

- an entrepreneur in the field of Biotechnology" 2:30 p.m. to 3:30 p.m. and Dr. Manu Agarwal Professor, Department of Botany, University of Delhi with a Lecture on "Engineering Heat Resilience in Rice: A Climate Change Countermeasure.
2. The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, organized a alumni interaction with Mr. Pradeep Verma, Regional Branch Manager, SBI and Neeraj Kumar Arya, Divisional Forest Officer, UP, held on 17 November 2023, at Biotechnology Seminar Hall, Goa University.
 3. The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, organized an alumni interaction meet, with Dr. Lokesh Kuman Narnoliya, Scientist D Dept. of Biotechnology, Government of India and Dr. Vikash Kumar Yadav, Staff-Scientist II, Chromatin Biology Lab., National institute of Plant Genome Research (NIPGR), New Delhi, India, on 23.10.2023.
 4. The Discipline of Biotechnology organized a Placement drive in collaboration with DSPAR Goa University and Estellar Academy on 29th April 2024
 5. The Discipline of Biotechnology organized a placement drive in collaboration with DSPAR, the School of Chemical Sciences, Goa University and Unichem laboratories on 10th April 2024.
 6. Mrs. Dviti Lavesh Volvoikar from Discipline of Biotechnology organized a NET SET mentoring sessions for M.Sc. Biotechnology students throughout the year.
 7. The Discipline of Biotechnology, School of Biological Sciences and Biotechnology celebrated Rashtriya Ekata Diwas (National Unity Day) day. The day is observed to commemorate the birth anniversary of Sardar Vallabh Bhai Patel on 31st October 2023.
 8. The Vigilance Awareness Week 2023 was observed by Biotechnology Discipline, of School of Biological Sciences and Biotechnology (SBSB), Goa University on 31st October 2023.
 9. Faculty and students from The Discipline of Biotechnology, School of Biological Sciences and Biotechnology, participated in Viksit Bharat @ 2047 Voice of Youth and attended an address delivered by Honorable Prime Minister Shri. Narendra Modi on 11/12/2023.
 10. The Discipline of Biotechnology, School of Biological Sciences and Biotechnology conducted Milletium – An exhibition cum competition on Fermented Foods with Millets for the students to celebrate international year of millets 2023, on 23rd October 2023.
 11. School of Biological Sciences and Biotechnology celebrated Meri Maati Mera Desh” Campaign- Administration of ‘Panch Pran’ Pledge with students, faculty and staff on 11th August 2023.
 12. Miss Diksha Salgaonkar and Miss Fazila Shaikh received second place in Inter-School Quiz Competition on Millets organized by The School of Chemical Sciences (SCS), Goa University as a part of International Year of Millets 2023 celebration on 27th April 2023.
 13. Miss Geethanjali Sahu got selected as Project assistant at NIO Donapaula Goa on 13th October 2023.
 14. Singh Mayuri Brijbhushan, Sanjay S., Adrija Dutta, Sanjana Gaikwad, and Shimul Biswas, Cleared GATE-BT 2024 exam.
 15. Ms. Aanchal Chauhan, M.Sc. Biotechnology student joined Ph.D. program of Goa University at, National Centre for Polar and Ocean Research, Headland Sada,

Vasco-Goa.

16. Students and faculty visited NIO Dona-Paula on 29/11/2023, Bioflock System on 30/11/2023, MoBio Diagnostics, BITS Pilani K K Birla Goa Campus Vasco and NCPOR Vasco on 23/2/2023; Latambarcem Breweries, Bicholim on 20/03/2024; ICAR-Old Goa on 15/03/2024 as a part of field trips.

Discipline of Microbiology

Faculty (Full-time):

- **Garg, Sandeep**, Ph.D., **Professor and Director DI3P**– Industrial & Medical Microbiology, Microbial Technology, Marine microbiology, Industrial Fermentation, Marine Technology, Fungal Fermentation, biofertilizers, Agriculture microbiology, Immunology, Ectomycorrhizal fungi, Biopolymers
- **Charya, Lakshangy S.**, Ph.D., **Assistant Professor and Programme Director**– Microbial Biochemistry, Environmental Microbiology, Bioremediation, Ectomycorrhizal fungi
- **Naik, Milind M.**, Ph.D. **Assistant Professor** – Environmental Microbiology, Molecular Biology, Microbial genetics, Marine Microbiology.
- **Noronha, Judith M.**, Ph.D. **Assistant Professor**– Aquatic Virology, Cyanophages and microalgal viruses, Microbial ecology of rice field ecosystems
- **Salgaonkar, Bhakti B.**, Ph.D. **Assistant Professor** – Halophilic Archaea; Extremophilic Microorganisms and their Bioprospecting, Biopolymers, Extremozymes, etc.
- **Asolkar, Trupti, S.**, Ph.D., **Assistant Professor**– Molecular Biology, Biocontrol agents, Plant-Microbe Interactions
- **Gawade, Lata**, Ph.D., **Assistant Professor** – Microbial carbon pump & Climate change impact, Biogeochemistry, Microbial Ecology, Marine microbiology, Science outreach - science for society

Visiting Faculty: Nil

Major Thrust Areas:

- Microbial diversity of coastal, Marine and Extreme Ecosystems
- Microbial genomics and metagenomics for bioprospecting of industrially important enzymes
- Molecular and biochemical mechanisms of heavy metal resistant microorganisms
- Nanobiotechnology and quorum quenching using natural compounds
- Microbial remediation of heavy metals, organometals, organic aliphatic and aromatic pollutants.
- Bioprospecting and process development for enzymes, bioplastics, exopolysaccharides, bioactive compounds and pigments.
- Microbial inoculants for application in crop cultivation and eco-restoration of forest
- Molecular tools for the detection and characterization of plant, fish, insect, animal and human pathogens

- Interaction between bacteria and phytoplankton , diatom diversity, biofilms
- Agriculture microbiology, ectomycorrhizae, Halophilic yeast, archaea, fungi and bacteria
- Microbes in biogeochemical cycling and marine biofarming.

Seminars, Conferences, workshops, etc. organized:

1. A one day seminar entitled “Advances in waste management for sustainable future” was organized by the Microbiology discipline on 20th February, 2024. The seminar aimed at creating awareness among the younger generation towards the various sustainable strategies for waste management and motivating them to come up with innovative technologies for a sustainable future. The seminar comprised of sessions chaired by experts from various fields followed by a poster competition. A total of 25 posters were presented by participants from various disciplines of Goa University and colleges across the state (**Organising secretary: Dr. Trupti Asolkar**).
2. **Dr. Bhakti Salgaonkar (organizing committee member)**, of the event on “**Keys for Success in Competitive Exams by Bodhi Academy**”, Organized by the Career Counselling Cell, Directorate of Student Placement and Alumni Relations (DSPAR), Goa University on 13th October, 2023.
3. **Dr. Bhakti Salgaonkar (Coordinator)**, of the event on “GPSC: Ensuring Meritocracy in Public Service”, Organized by the Career Counselling Cell, Directorate of Student Placement and Alumni Relations (DSPAR), Goa University on 8th September, 2023.
4. **Prof. Sandeep Garg (Coordinator)** of the Refresher Course in Life Sciences (interdisciplinary) (online), Organized by Malviya Mission Teacher Training Centre, University Grant Commission (UGC – MMTTC), Goa University during 24/11/2023 – 08/12/2023.

Conference Presentations, Lectures, etc.: NIL**Guest Lecture Organized:**

The Microbiology Programme, SBSB arranged for two special lectures each in Pharmaceutical Microbiology and Medical Microbiology & epidemiology for M.Sc. Microbiology Students on 4th October, 2023 and 23rd October, 2023, respectively. The details are as tabulated below:

Sr. No.	Subject/ Coordinators	Name of the speaker	Title of the Talk
1.	Pharmaceutical Microbiology	Mrs. Siya Prabhu	Role of Microbiology in Pharmaceutical Industry
2.	(Coordinators: Dr. Milind Naik & Dr. Bhakti Salgaonkar)	Mrs. Vatsala Sukthankar	Current Good Manufacturing Practices (cGMP)
3.	Medical Microbiology and Epidemiology	Dr. Savio Rodrigues	Preventive Measures Against Infection
4.	(Coordinator: Dr. Judith Noronha)	Dr. Jagadish Cacodcar	Emerging Zoonoses in India

Webinars/Workshops Participation:

1. Faculty members **Dr. Lakshangy Charya, Dr. Milind Naik and Dr. Bhakti Salgaonkar** as well as the Swachh Bharat Summer Internship (SBSI) students Ms. Rishwa Narvekar, Ms. Isha Vaze and Ms. Varsha Naik, from Microbiology Programme, School of Biological Sciences and Biotechnology, Goa University organized the wine making workshop on 29th July 2023 at the village panchayat Se Old Goa. Dr. Lakshangy Charya, gave a talk on wine making which was followed by hands-on practical demonstration by SBSI Interns to the participating villagers.

Lectures on other occasions:

1. **Dr. Bhakti Salgaonkar**, was invited as Resource person and delivered a Guest lecture on “**Contribution of Microbiology in refining our Society**”, on 13th January 2024 at the Dr. T B Cunha Government Higher Secondary School, Campal Panjim Goa, as a part of the VidnyanDhara”, a mega science series Programme from 11th January-28th

February 2024 organized by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), Government of Goa.

2. **Dr. Trupti Asolkar**, was invited as Resource person and delivered a Guest lecture on “**Role of microorganisms in day-to-day life**”, on 09th February, 2024 at the Shree Kamaleshwar High School, KorgaonPernem, Goa, as a part of the VidnyanDhara 2024, a mega science series Programme from 11th January-28th February 2024 organized by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), Government of Goa.
3. **Dr. Judith Noronha** delivered two guest lectures on the topic “**Viruses – the smartest guys in the biological world**”: i) At Our Lady of Desterro High School, Vasco-da-Gama, Goa, on 03/02/2024 and ii) At Mount Litera Zee School, Sancoale, Goa, on 08/02/2024, as part of the “VidnyanDhara – a mega science series Programme” organized by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), Government of Goa.
4. **Dr. Lakshangy Suresh Charya**, was invited as Resource person and delivered a Guest lecture on “**Macrofungi and their role in our life for sustainable future**”, on 13th February 2024 at the Goa College of Music, Educational complex, Altinho, Panaji Goa, as a part of the VidnyanDhara 2024”, a mega science series organized by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), Government of Goa.
5. **Dr. Milind Mohan Naik**, was invited as Resource person and delivered a Guest lecture on “**Microbial Technology for sustainable future**”, on 14th February 2024 at the All India Institute of Ayurveda, Dhargal, Goa, as a part of the VidnyanDhara”, a mega science series Programme from 11th January-28th February 2024 organized by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), Government of Goa.

Honors:

1. **Dr. Lata Gawade** received travel grants from the Department of Science and Technology to attend Ocean Sciences Meeting -2024, New Orleans, USA.-2024
2. **Dr. Lata Gawade** received grants to participate in the Kongsfjorden flagship meeting in Oslo-Norway, by Norwegian Polar Institute- 2023
3. **Dr. Lata Gawade** awarded Indo-German Science & Technology’s Fellowship- Women Involvement in Science and Engineering Research (WISER)-2023.

Student Activities:

- **Campus placements organized for M.Sc. students:**

Campus placements were organized for the outgoing batch of M.Sc. students, along with other disciplines of SBSB. The following placement sessions were held:

1. **Unichem Laboratories** (conducted on 10/04/2024): Ten M.Sc. Microbiology students applied, of whom four students received offers and two were employed as trainees.
2. **Estellar Academy** (conducted on 29/04/2024): One student applied, but did not receive an offer.

- **Mentoring M.Sc. students for competitive exams:**

The faculty members **Dr. Trupti Asolkar** and **Dr. Judith Noronha** were involved in the mentoring program for NET, SET and other national competitive exams for the students of

SBSB during the period of January 2024- May 2024. The students were provided with the relevant study material through Google Classroom platform and MCQ based Mock tests were conducted to prepare the students for various competitive exams. **Dr. Bhakti Salgaonkar** is involved in mentoring students for competitive exams through Directorate of Higher education (DHE).

- **Student (Ph.D.) participation in Workshop/conference:**

1. **Mr. Tejas Jagannath Naik**, pursuing Ph.D. (Reg. No. 201604463) under the supervision of Dr. Bhakti B. Salgaonkar, in Microbiology Programme, School of Biological Sciences & Biotechnology, Goa University, attended the Third South Asia Workshop in Aquatic Microbial Ecology (ASIAME3) held at the International Centre for Interdisciplinary Science and Education, Quy Nhon, Vietnam from 19th June 2023 to 29th June 2023.
2. **Ms. Manasi Deepak Kamat**, pursuing Ph.D. (Reg. No. 201301227) under the supervision of Dr. Lakshangy Charya, in Microbiology Programme, School of Biological Sciences & Biotechnology, Goa University, attended the International conference on Biology, Biodiversity and Biotechnology of Fungi and gave oral presentation on the topic, "Differential responses of two isolates of ectomycorrhizal fungus *Pisolithus* sp. from Goa to in vitro temperature stress", held at SIES College of Arts, Science and Commerce, Sion (W), Mumbai on 1st and 2nd December 2023.
3. **Ms. Aabha Arun Marathe**, pursuing Ph.D. (Reg. No. 201812692) under the supervision of Dr. Lakshangy Charya, in Microbiology Programme, School of Biological Sciences & Biotechnology, Goa University, attended the International conference on Biology, Biodiversity and Biotechnology of Fungi and gave oral presentation on the topic, "Exploring Goan mangroves for L-asparaginase producing yeasts", held at SIES College of Arts, Science and Commerce, Sion (W), Mumbai on 1st and 2nd December 2023.

The following students received the Goa State Research Foundation (GSRF) Doctoral Research fellowship. Details are as tabulated below:

Sr . N o.	Name of the PhD Student	Sanction order No	Date	Name of the Ph.D. Supervisor	Title of the Proposed work
1.	Mr. Tejas Jagannath Naik	GSRF/Schemes/DRF/10/2023 /105(7)	04/01/2024	Dr. Bhakti Salgaonkar	Co-production of Carotenoids and Polyhydroxyalkanoates from Halophilic Microorganisms and its Application
2.	Ms. GandishaMasso Pawar	GSRF/Schemes/DRF/10/2023 /105(8)	04/01/2024	Dr. Bhakti Salgaonkar	Industrially important extremozymes of halophilic microorganisms

					from solar salterns of West Coast of India
3.	Mr. Linus Coelho	GSRF/Schemes/DRF/10/2023/105(1)	04/01/2024	Dr. Milind Mohan Naik	Bioprospecting of quorum quenching molecules from prokaryotic microorganisms isolated from mangrove ecosystem of Goa

Students of M.Sc. Microbiology programme (24), SBSB, Goa University along with 2 faculties (**Dr. lakshangy Charya** and **Dr. Milind Naik**) and 1 non-teaching staff (Ms. Sneha Naik) visited various institutes in Tamil Nadu and Kerala during 06/10/2023 – 15/10/2023 as a part of the field trip course (MIC 633). Following are the institutes/industries visited:

- 1) Manonmaniam Sundarnar University, Centre for Marine Sciences and Technology, Ganapathipuram Tamil Nadu, India.
- 2) Rajiv Gandhi Center for Biotechnology, Thiruvananthapuram, Kerala.
- 3) CSIR-National Institute for Interdisciplinary Science and Technology, Thiruvananthapuram, Kerala.
- 4) Institute of Advanced Virology, Thonnakkal, Kerala, India.
- 5) Central Laboratory for Instrumentation and Facilitation (CLIF), University of Kerala, Karyavattom, Thiruvananthapuram, Kerala.
- 6) ICMR-Vector Control Research Centre (Field station), Kottayam Kerala.
- 7) Rubber Research Institute of India, Kottayam Kerala, India.
- 8) Kannan Devan Hills, Munnar, Kerala.
- 9) ICAR-Central Institute of Fisheries Technology, Matsyapuri, Kochi, Kerala, India.

The M.Sc. Microbiology students were exposed to high end instruments and facilities such as XPS, SEM, NMR, AFM, Flow cytometer, Confocal microscope, GCMS, LCMS, NGS sequencer, RT-PCR, Ultracentrifuge, advanced bio safety Lab for Viral cultures, Tissue culture facility, Transgenic technology, etc. This will benefit the students to join research institutes and industries. Students also interacted with researchers/scientists and were exposed to advance research carried out in reputed institutes in Kerala. Students also understood employment opportunities in various institutes and industries in Kerala.

Dean: Prof. Ramesh V. Pai

Vice-Dean (Academic): Prof. Jivan S. Parab

Vice-Dean (Research): Prof. Rajendra S. Gad

Faculty (Full-time):

- **Ramesh V. Pai**, Ph.D., Professor - Theoretical Condensed Matter Physics.
- **Kaustubh R. S. Priolkar**, Ph.D., Senior Professor - Experimental Solid-State Physics- NEXAFS and EXAFS.
- **Sudhir Cherukulappurath**, Ph.D., Assistant Professor - Nonlinear Optics, Plasmonics, Nanophotonics
- **Rajeshkumar S. Hyam**, Ph.D., Assistant Professor - Experimental Condensed Matter, Nanomaterial for Energy applications
- **Venkatesha R. Hathwar**, Ph.D., Assistant Professor - X-ray Diffraction, Chemical Physics and Quantum Crystallography, Crystal Engineering, Structural Materials Science
- **Bholanath Pahari**, Ph.D., Assistant Professor (UGC- Faculty) - Condensed Matter Physics, NMR Spectroscopy
- **Reshma Raut Dessai**, Ph.D., Assistant Professor - Neutron Scattering, Porous media, Condensed matter Physics, Glass, Ceramic, X-ray Astronomy
- **Pranav Naik**, Ph.D., Assistant Professor - Nanomaterial synthesis, Magnetism, Electrical properties, Radiation effect.
- **Prabhakar Palni**, Ph.D., Assistant Professor - Experimental High Energy Physics

and Nuclear Physics (on lien)

- **Elaine T. Dias**, Ph.D., Assistant Professor - Experimental Condensed Matter Physics
- **Bhargav K. Alavani**, Ph.D., Assistant Professor - Theoretical Condensed Matter Physics and Computational Physics
- **Pallavi P. Gaude**, M.Sc., Assistant Professor - Theoretical Condensed Matter Physics
- **Kunhanandan Mailattu**, Ph.D., Assistant Professor – Functional Analysis, Combinatorics
- **Manvendra Tamba**, Ph.D., Assistant Professor – Lie Algebra, Number Theory
- **Jessica Fernandes e Pereira**, Ph.D., Assistant Professor – Graph Theory.
- **Brandon Fernandes**, M. Sc., Assistant Professor- Lie Algebra, Linear Algebra
- **Rajendra S. Gad**, Ph.D., Senior Professor– Multivariate Signals & Systems and Computer Networks
- **Jivan S. Parab**, Ph.D., Associate Professor – Embedded System Instrumentation, DSP, RTOS, HDL, Fiber optic sensors
- **Narayan T. Vetrekar**, Ph.D., Assistant Professor – Pattern Recognition, Biometrics, Multi-spectral Imaging, Machine Learning, Image Processing
- **Marlon Sequeira**, Ph.D., Assistant Professor – Embedded systems, Biomedical Instrumentation, FPGA.

Major Trust Areas

The School of Physical and Applied Sciences is a result of the amalgamation of three correlated disciplines, physics, mathematics, and electronics. The major thrust area of the Physics discipline has been condensed matter physics and materials science. It is an extremely active, dynamic field of research and is the largest subfield of modern physics. At the fundamental level, condensed matter physics is intellectually stimulating due to the continuing discoveries of many new phenomena and the development of new concepts and tools that are necessary to understand them. It is the field in which advances, in theory, can most directly be confronted with experiments. Faculties/researchers of the Physics discipline conduct investigations (experiments and theory) in many areas of hard/soft condensed matter physics that include:

- High-temperature superconductivity
- Strong correlations
- Amorphous and porous materials
- Quantum magnetism
- Shape memory alloys
- Bose-Einstein condensates
- Nanostructures for solar cells, SERS, and photocatalysis application

- Low-dimensional physics
- Energy storage materials
- Synthesis of new quantum materials
- Multifunctional optical spectroscopy of condensed matter systems
- Plasmonic nanomaterials
- Optical trapping
- Photoluminescence materials
- Graphane-based materials
- Ferrites
- Quantum crystallography
 - Spintronics
 - Nanomaterials for biomedical applications

Another area that is developing as a thrust area is high energy physics and nuclear physics. The goal of this branch of physics is the understanding of the elementary particles that are the fundamental constituents of matter. Under the umbrella of Electron-Ion Collider (EIC) – India collaboration one of our faculties is engaged in Software development and Silicon tracking detector development for the EIC coming up at the Brookhaven National Laboratory, USA. Recently, Biophysics and Computational Physics have been included as new thrust areas of the physics discipline. Biophysics applies the principle of physics to understand the mechanisms of biological systems, whereas, computational physics employs methods of mathematical analysis to explore the consequences of basic theories of physics.

The major thrust areas of the mathematics discipline since its inception have been diverse. Broadly in the area of Functional Analysis and Applications, the major thrust areas have been operator theory, inverse and Ill-posed problems and methods of mathematical physics, probability theory, and applications of operator algebras. In the area of differential equations, the major contributions have been to the study of ordinary and delay differential equations and problems related to the study of the stability of solutions to certain classes of Partial Differential Equations. In the area of topology, the major domain of study has been problems in the field of Knot Theory. In the areas related to algebra and discrete Mathematics, the thrust areas have been Kac-Moody Lie Algebras and Number Theoretic Identities, Graph Theory, and Fibonacci type sequences. Currently, the research interests of the mathematics discipline are:

- Structure of standard modules of certain Affine Lie algebras and Roger's-Ramanujan type theorems
- Study of Fibonacci type numbers
- Study of aspects of non-commutative Geometry in C^* -Algebras
- Studies in Graceful Labeling of Graphs and its Variations.
- On the other hand, faculties/researchers in the electronic discipline employ imaging spectroscopy and machine learning approaches for the development of
- Bio-medical and Agro-electronics
- IoT Smart Sensor
- Machine Learning
- Digital Signal Processing
- Image Processing
- Networks

Conference Presentations, Lectures, etc.

Sr. No.	Faculty	Topic	Date
1.	Dr. Reshma Raut Dessai	Hands-on training on Xray Diffraction analysis at Three day seminar at St. Xaviers College Mapusa	5th - 7th February 2024
2.	Dr. Reshma Raut Dessai	Presented paper on Temporal, Spectral, and QPOs study of GRS 1915 +105 using ASTROSAT at National Space Science Conference 2024	26th February-1st March 2024
3.	Dr. Reshma Raut Dessai	Conducted Sky Gazing and delivered talk on Observational Astronomy at BamanbhatCujira Santa Cruz Goa	13th February 2024
4.	Dr. ReshmaRautDessai	Conducted Sky Gazing at School of Physical and Applied Sciences Goa University	16th February 2024
5.	Dr.	Delivered talk on Journey to the space and	23rd February

	ReshmaRautDessai	Career opportunities in Astronomy during Pre Science Day celebration at Triumph School, Pundalik Nagar Porvorim	2024
6.	Dr. ReshmaRautDessai	Delivered talk on the occasion of Hindi Day at NCPAOR Vasco	27th September 2023
7.	Dr. ReshmaRautDessai	Delivered talk on Observational Astronomy and Space exploration at Dhempe H/S Kujira	24th January 2024
8.	Dr. ReshmaRautDessai	Delivered talk on “India’s Giant Leap in Space” at St. Xaviers College Mapusa	15th March 2024
9.	Dr. KunhanandanMailattu	Invited lecture titled ‘Recounting the Rationals’ at DCT’s Dhempe College of Arts and Science	10 th February 2024
10.	Dr. KunhanandanMailattu	Invited talk at State Level Seminar on ‘Emerging Trends in Mathematics and Computer Science’ organized by the Department of Mathematics and Statistics ,GVM College, Farmagudi, Goa	27 September, 2023
11.	Dr. Jessica Fernandes e Pereira	Presented paper entitled “Additively Graceful Signed Paths and Cycles” in the International Conference on Graph Theory and Its Applications (ICGTA-2023), organized by the Department of Mathematics, CHRIST (Deemed to be University) Bangalore	Nov 30-Dec 02, 2023.
12.	Dr. Jessica Fernandes e Pereira	Resource Person for the “A Five-Day Online FDP on Discrete Mathematics” organized by the Department of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Vellore	13–17 June, 2023
13.	Dr. Jessica Fernandes e Pereira	Subject Expert for the Meeting for ‘Preparation of Fundamental Glossary of Mathematics (English-Hindi-Konkani)’ organized by Commission of Scientific and Technical Terminology, New Delhi, India at BITS PilaniK K Birla Goa Campus, Goa, India	June 27-July1, 2023
14.	Dr. Jessica Fernandes e Pereira	Subject Expert for the Meeting for ‘Preparation of Fundamental Glossary of Mathematics (English-Hindi-Konkani)’ organized by Commission of Scientific and Technical Terminology, New Delhi, India at School of Physical and Applied Sciences, Goa University, Goa, India	August 22-26, 2023

15.	Dr. Jessica Fernandes e Pereira	Talk on “Discrete and Continuous Probability Distribution” for Faculty Development Programme for all the Mathematics teachers in the Navy Children Schools across the country organized by Navy Children School, Goa	09 Sept 2023
16.	Dr. Jessica Fernandes e Pereira	Resource Person for the “Five-day Latex Typesetting Workshop” organized by Mathematics Discipline, School of Physical and Applied Sciences, Goa University, Goa India	October 23-28, 2023
17.	Dr. Jessica Fernandes e Pereira	Subject Expert for the Meeting for ‘Preparation of Fundamental Glossary of Mathematics (English-Hindi-Konkani)’ organized by Commission of Scientific and Technical Terminology, New Delhi, India at VidyaPrabodhini College of Commerce, Education, Computer and Management, Porvorim, Goa, India	October 30-November 03, 2023
18.	Dr. Jessica Fernandes e Pereira	Invited Lecture on the topic “Applications of Graph Theory in New Trends and Small Wireless Area Networks” in a One-day National level workshop organized by PG and Research Department of Mathematics, Dr. Kalaignar Government Arts College, Kulithalai - 639 120 on the eve of Ramanujan Birthday Celebration.	
19.	Dr. Jessica Fernandes e Pereira	Talk on “Significance of Pi” on the occasion of “International Pi Day” organized by Srinivassa Sinai Dempo College of Commerce and Economics	March 14, 2024
20.	Dr. Mridini Mahadev Gawas	Invited talk at GVM's Dr. Dada Vaidya College of Education, FarmagudiPonda Goa on the topic " Mathematical Modelling and Differential Equations"	24th January 2024
21.	Dr. Mridini Mahadev Gawas	Invited talk at GVM's Gopal GovindPoyRaiturcar college of Commerce and Economics, BCA Students on the topic " Linear Algebra: Unleashing its Power in Computer Science"	22nd February 2024
22.	Dr. Mridini Mahadev Gawas	Invited talk on Career Opportunities and Research in Mathematics at PES College	26th March 2024
23.	Dr. Mridini Mahadev Gawas	Invited talk on Career Opportunities in Mathematics for Higher Secondary Students at Poriem	
24.	Dr. Mridini Mahadev Gawas	Presented paper at Second International Conference on Advances in Smart Sensor,	22 - 23, March 2024

		Signal Processing and Communication Technology (ICASSCT 2024) Goa University, Goa, India	
25.	Dr. Mridini Mahadev Gawas	Delivered 4 lectures under VidnyanDhara	2024
26.	Mr. Brandon Fernandes	30 modules in regional language (Konkani) towards the e-content of project DISHTAVO	JANUARY 2023 to AUGUST 2024.
27.	Shreyas Gawde	“Image-based Explainable Predictive Maintenance of Rotating Machines using Deep Learning and LRP” at Second International Conference on Advances in Smart Sensors, Signal Processing and Communication Technology (ICASSCT-2024), Goa University.	
28.	Ramesh V. Pai	“How the elements are formed” at Dct'sVasant Rao Dempo Higher Secondary School of Arts Science & Commerce, Goa,	19-01-2024
29.	Ramesh V. Pai	“How the elements are formed” at Agnel Institute of Technology and Design, Assagao, Bardez – Goa	13-02-2024
30.	Ramesh V. Pai	“How the elements are formed” at Bethany Convent High School, Sao Jose De Areal, Salcete – Goa	15-02-2024
31.	Pranav Naik	Delivered 3 lectures under VidnyanDhara	2024
32.	Kaustubh R. S. Priolkar	Invited Lecture at National Conference on Electronic Structure (NCES 2023) at Gopalpur, Odisha	15-17 November, 2023
33.	Kaustubh R. S. Priolkar	Invited Lecture at 34th Annual General Meeting of MRSI and 5th Indian Materials Conclave at IIT-BHU, Varanasi	12-15 December 2023
34.	Kaustubh R. S. Priolkar	Invited Lecture at CRC/TRR 270 HoMMage Colloquium, Universitat Duisburg, Duisburg, Germany	21/05/2024
35.	Kaustubh R. S. Priolkar	Invited Lecture at AG Seminar at AG-Farle, Universitat Duisburg, Duisburg, Germany	15/05/2024
36.	Kaustubh R. S. Priolkar	Four lectures at DMC Assagao, Manovikas School, Margao, IPHB, Bambolim and Govt. High School, Hankhane as a part of VidnyanDhara	12/02/2024, 16/02/2024, 20/02/2024, 22/02/2024
37.	Rajeshkumar S Hyam	Delivered 2 lectures under VidnyanDhara	2024
38.	Venkatesha R. Hathwar	National Seminar on Crystallography (NSC-50) held at CSIR-IMTech, Chandigarh	22-24 November 2023

39.	Venkatesha R. Hathwar	Two VidnyanDhara lectures at Goa College of Home Science, Campal and Regina Martyrum High School, Salcete	13-01-2024 23-02-2024
40.	Sudhir Cherukulappurath	VidnyanDhara lecture “The Fascinating World Of Nano”, Madkaikar Higher Secondary School Of Arts And Science, Corlim	15th January 2024
41.	Sudhir Cherukulappurath	VidnyanDhara lecture “The Life And Works Of CV Raman”, Our Lady Of The Rosary High School, Dona Paula	20th January 2024
42.	Sudhir Cherukulappurath	Nano-photonics for renewable energy sources, One Day Seminar on “Sustainable Energy Development and Renewable Energy Technologies: Perspectives and Challenges PES’s Ravi S. Naik College of Arts and Science.	7th March 2024
43.	Sudhir Cherukulappurath	“Scanning Tunneling Microscopy for nanoscale imaging,” talk given for Scientiifc Imaging Techniques held at Govt. College of Arts, Science and Commerce, Khandola	12th February 2024
44.	Dr. Narayan Vetrekar	Indian Conference on Computer Vision, Graphics and Image Processing (ICVGIP), 2023	15th to 17th December 2023
45.	Dr. Aniketh Gaonkar	Indian Conference on Computer Vision, Graphics and Image Processing (ICVGIP), 2023	15th to 17th December 2023
46.	1. Prof. Jivan Parab 2. Dr. Reshma Raut Dessai 3. Dr. Mridini Gawas 4. Dr. Aniket Gaonkar	Pre Science day Celebration at Triumph School, Pundalik Nagar, Porvorim, Goa	23 Feb 2024

Guest Lecture Organized

Sr. No.	Invited Faculty	Activity	Date
1.	Prof. Sushil Mujumdar, TIFR-Mumbai	Lecture series on Quantum Optics (Paper: Advanced Optics) 8 lectures	17-20, October, 2023
2.	Prof. S. Arumugam	Lecture “Network Science and	12 Oct 2023

		its Applications”	
3.	Prof. Y. S. Prahalad	‘Fourier Transform, The Heat Equation and Beyond’ by	15 th and 16 th February 2024
4.	Dr. Lavkush Kumar Patel (Scientist NCPOR)	‘VidnyanDhara’ lecture “Himalayan Glacier Observation through Space”	16th February 2023

Webinars/Workshops Participation

Sr. No.	Faculty	Activity	Date
1.	Dr. Jessica Fernandes e Pereira	NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by UGC-MMTTC, Goa University	16.01.2024 to 25.01.2024
2.	Dr. Jessica Fernandes e Pereira	REFRESHER COURSE IN MATHEMATICS “Foundation Course in Vedic Mathematics”	31 March - 13 April, 2024
3.	Dr. Mridini Mahadev Gawas	MTA Regional Conference Goa 2024 organized by MTA(I) , SCERT and DHE	27th and 28th January 2024
4.	Dr. Mridini Mahadev Gawas	4- Week Faculty Induction Programme organized by Teaching Learning Centre Ramanujan College, University of Delhi	22nd October - 20th November 2023
5.	Dr. Mridini Mahadev Gawas	FDP on NEP Orientation and Sensitization organized by University of Hyderabad.	05th Feb to 13th Feb 2024
6.	Dr. Mridini Mahadev Gawas	Two-Day Workshop on “Innovating, Designing, Modelling, Characterization and Simulation of Materials and Bio-Molecule using in silico Solution Suite, ASAP , Goa University	Jan. 18 th and 19 th .
7.	Dr. Mridini Mahadev Gawas	Half Day Brainstorming Workshop for volunteering Faculty Members on the theme "Demystifying Research and taking Research to the Doorsteps of Schools ", organized by Goa State Research Foundation	18h April, 2024
8.	Dr. Mridini Mahadev Gawas	Research Grant Writing Workshop	8 th September 2023

9.	Mr. Brandon Fernandes	5-day research writing workshop at Goa University	3/07/2023 – 08/07/ 2023
10.	Mr. Brandon Fernandes	NOV B - NEP Orientation & Sensitization program at UGC-MMTTC, Goa University	15/11/2023 - 23/11/2023
11.	Mr. Brandon Fernandes	A one-day workshop on LaTeX Scientific Editing with hands-on practice.	15/09/2023
12.	Mr. Brandon Fernandes	2-day workshop on Mathematical Modelling.	13/12/2023 – 14/12/2023
13.	Mr. Brandon Fernandes	REFRESHER COURSE IN MATHEMATICS “Foundation Course in Vedic Mathematics”.	31st March - April 13th, 2024
14.	Dr. Reshma Raut Dessai	Xposat User Meet	Dec 18-19 2023
15.	Dr. Reshma Raut Dessai	2 nd NEP Orientation and sensitization	1/11/2023 to 10/11/2023
16.	Dr. Reshma Raut Dessai	Refresher course on Computational sciences	17th January 2024 to 1st February 2024
17.	Pallavi P. Gaude	NEP Orientation & Sensitization programme at UGC-MMTTC, Goa University	01-11-23- 10-11-23
18.	Pallavi P. Gaude	Research writing workshop -2023, Goa University	03-07-2023 - 08-07-2023
19.	Dr. Bholanath Pahari	Refresher Course on Material-Physics & Nanotechnology	February 16, 2024 to March 01, 2024
20.	Dr. Bhargav K. Alavani	NEP Orientation & Sensitization programme at UGC-MMTTC, Goa University	1/11/2023 to 10/11/2023
21.	Dr. Pranav P. Naik	NEP Orientation & Sensitization programme at UGC-MMTTC, Goa University	1/11/2023 to 10/11/2023
22.	Dr. Elaine T. Dias	NEP Orientation & Sensitization programme at UGC-MMTTC, Goa University	1/11/2023 to 10/11/2023
23.	Dr. R.S. Hyam	NEP Orientation & Sensitization programme at UGC-MMTTC, Goa University	16.01.2024 to 25.01.2024.
24.	Dr Marlon Sequeira	Quantum Machine Learning: Bridging the Gap Between Quantum Computing and AI	08/01/2024 to 13/01/2024
25.	Dr. Narayan Vetrekar	Refresher Course in Computational Sciences	17/01/2024 to 01/02/2024

Lectures on other occasions: NIL

Honors: NIL

Student Activities

Sr. No.	Activity	Date
1.	Madhava Mathematics Competition.	
2.	Cleanliness Drive at Siridao-Goa	6th October 2023
3.	Field visit to Verna Industrial Estate: D-Link India Ltd., Elin Electronics Ltd., and Smartlink Holdings Ltd.	6th October 2023
4.	स्वच्छता अभियान -Cleanliness Drive'	13 Apr 2023
5.	"Meri MaatiMeraDesh" Campaign	11 Aug 2023

2.8 SCHOOL OF CHEMICAL SCIENCES (SCS)

Programmes offered:

Analytical Chemistry	(M.Sc.)
Biochemistry	(M.Sc.)
Inorganic Chemistry	(M.Sc.)
Organic Chemistry	(M.Sc.)
Physical Chemistry	(M.Sc.)
Chemistry	(Ph.D.)
Biochemistry	(Ph.D.)

Dean: Prof. Vidhyadatta M. S. Verenkar

Vice-Dean (Academic): Prof. Sunder N. Dhuri

Vice-Dean (Research): Dr. Bidhan A. Shinkre

Program Director (Chemistry): Dr. Rupesh Patre

Program Director (Biochemistry): Dr. Prachi S. Torney

Faculty (Full-time):

- **Vishnu S. Nadkarni, Ph.D.**, Senior Professor - Organic Chemistry, Polymer Chemistry. (On Lien from Nov 2021)
- **Vidhyadatta M. S. Verenkar, Ph.D.**, Professor - Materials Chemistry.
- **Rajendra N. Shirsat, Ph.D.**, Professor - Computational and Theoretical Chemistry.
- **Sunder N. Dhuri, Ph.D.**, Professor - Biomimetic catalysis, Crystallography, Metal-Organic compounds, Metal-sulfur chemistry.
- **Digamber G. Porob, Ph.D.**, Associate Professor - Synthesis, crystal structure determination and structure-property correlation of functional materials using powder X-ray, neutron diffraction, single crystal X-ray diffraction, along with

other supporting techniques. Some of the specific fields of interest are: Luminescent materials for LED lighting applications. Ionic conductors for batteries and fuel cells, Materials Sustainability and Size Controlled Materials.

- **Rupesh E. Patre**, *Ph.D.*, Associate Professor - Analytical Chemistry, Sensors, Synthetic Organic Chemistry, Natural Products, Greener approaches (Flow chemistry, Biocatalyst application), Process development.
- **Bidhan A. Shinkre**, *Ph.D.*, Associate Professor - Synthetic Organic Chemistry, Asymmetric synthesis, Medicinal Chemistry: Anti-cancer and Anti-bacterial agents-Structure Activity Relationship studies (SAR), Heterocycles, Green and sustainable processes.
- **Siddhali V. Girkar**, *MSc NET* Assistant Professor - Synthetic Organic Chemistry, Medicinal Chemistry (On Study Leave)
- **Pranay P. Morajkar**, *Ph.D.*, Assistant Professor - Nanostructured materials, Reaction kinetics, Energy & Environmental Applications
- **Sandesh T. Bugde**, *Ph.D.*, Assistant Professor -Synthetic Organic Chemistry, Photoredox Catalysis, Asymmetric Organocatalysis
- **Rohan K. Kunkalekar**, *Ph.D.*, Assistant Professor -Catalysis, Solid State Chemistry, Nano-Material synthesis
- **Savita A. Kundaikar**, *Ph.D.*, Assistant Professor -Polyoxometalate Chemistry: Design, Synthesis, and Characterization of Polyoxometalate based hybrid organic-inorganic Materials and their applications in Catalysis and solving environmental concerns
- **Hari K. Kadam**, *Ph.D.*, Assistant Professor - Analytical Chemistry, Chemosensing, Biosensing, Method Development, (HPLC, GC), Synthetic Organic Chemistry, (Heterocyclic Chemistry, Organic Methodologies, Cross coupling reactions) Green Chemistry, Medicinal Chemistry, Continuous Flow Chemistry
- **Prajesh S. Volvoikar**, *Ph.D.*, Assistant Professor - Synthetic Organic Chemistry, (Heterocyclic Chemistry, Organic Methodologies, Cross coupling reactions, Cross dehydrogenative coupling) Medicinal Chemistry, Process development and optimization, Analytical Chemistry, Method Development, (HPLC, GC).
- **Vishnu R. Chari**, *MSc NET* Assistant Professor - Computational chemistry, electronic structure calculations of organo-selenium compounds which acts as glutathione peroxidase mimics, Nanomaterials and nanochemistry.
- **Anjani P. Nagvenkar**, *Ph.D.*, Assistant Professor - Materials electrochemistry: Synthesis, characterization and applications of semiconductor nanocrystals; halide perovskite materials for photovoltaics; nanomaterials for electrochemical energy storage; thermal conductivity of semiconductor materials
- **Delicia A. Barretto**, *Ph.D.*, Assistant Professor -Probiotics, Endophytic research, Bioprospecting, Biochemistry
- **Diptesh G. Naik**, *Ph.D.*, Assistant Professor - Physical Chemistry, Polymer Chemistry: Synthesis and characterization of polymeric materials for their applications in nuclear track detection, neutron dosimetry.
- **Kanchanmala B. Deshpande**, *Ph.D.*, Assistant Professor - Biosensor/ bioassay for environmental/ food analysis, Water analysis, Flow injection-based techniques, Heavy metal analysis, Chemical sensor, Remediations of contaminated water/ soil.

- **Prachi S. Torney, Ph.D.**, Assistant Professor - Synthesis and characterisation of bioactive natural products and their analogues, photocatalytic and enzyme catalytic reactions, development of synthetic methodologies, isolation of bioactive molecules, analytical method development
- **Amrita P. Kharangate, Ph.D.**, Assistant Professor - Microbiology, Environmental bioremediation, Nanobioremediation, Sustainable management of food waste
- **Kedar U. Narvekar, Ph.D.**, Assistant Professor - Structural chemistry: Synthesis, Crystallization, Characterization, Properties of Inorganic, organic and Metal-Organic compounds
- **Vinod K. Mandrekar, Ph.D.**, Assistant Professor - Polymer Chemistry, Catalysis, Synthetic Organic Chemistry and Chemistry of Natural Products
- **Kiran T. Dhavskar, Ph.D.**, Assistant Professor -Anion receptor chemistry, Analytical Chemistry, Imaging studies, and method development, structural chemistry, Sensing, separation, and remediation of toxic analytes, Generation and development of green methodologies, techniques, and materials
- **Shrikant R. Naik, Ph.D.**, Assistant Professor - Inorganic chemistry, Nanomaterials, Magnetic and electrical properties of Spinel ferrites and Garnet ferrites. Luminescent properties of garnets. Application of nano-sized oxides for their catalytic and antimicrobial applications
- **Rupesh A. Kunkalkar, Ph.D.**, Assistant Professor - Synthetic Organic Chemistry: Synthesis of Natural Products and Bioactive Molecules, Development of new synthetic methodologies.
- **Deepika Karmalkar, Ph.D.**, Assistant Professor- Bioinorganic Chemistry, Metal-Oxygen Intermediates, Water Oxidation Catalysts, Nitric Oxide Chemistry
- **Santosh G. Tilve, Ph.D.**, (UGC-BSR) Senior Professor - Synthetic Organic Chemistry.
- **Nitesh Joshi, Ph.D.**, Assistant Professor (Contract)-Catalysis, Non thermal plasma, Environmental remediation, Waste water treatment, Destruction of VOC's, Conversion of greenhouse gases to value added products.
- **Samata Shetgaonkar, Ph.D.**, Assistant Professor (Contract)- Synthetic Organic Chemistry ,Hypervalent Iodine Chemistry, Lactone Chemistry.
- **Aabha A Marathe, M.Sc.**, SET Assistant Professor (Contract)- Enzymology, Molecular Biology, Microbiology, Cancer biology.
- **Saurav Sattarker, M.Sc.**, SETAssistant Professor (Contract)-Proteomics, Biochemistry, Molecular Biology.
- **Vanita Kunkalkar, M.Sc.**, SET, Assistant Professor (Contract) - Organic Chemistry, Synthetic Organic Chemistry.

Major Thrust Areas and Achievements:

Thrust Areas:

- Analytical Chemistry, Inorganic Chemistry, Organic Chemistry, Physical Chemistry
- Anion Receptors and Ion-Pair Receptors
- Bio-inorganic, Coordination, Organometallic Chemistry
- Bioprospecting
- Bioremediation and Biosensing
- Catalysis, Asymmetric Organocatalysis

- Computational and Theoretical Chemistry
- Environmental Chemistry, Catalysis & Chemical Sensors
- Hydrogen-Bonded Supramolecular Capsules and Metal-Organic Cages
- Intermolecular Interactions
- Laser, Optics and Gas Kinetics
- Materials Science, Metal Carboxylates
- Nano-Material synthesis, Nanoscience
- Optical Spectroscopy
- Organic Supramolecular Chemistry, Artificial Photosynthesis and Organic Solar Cells
- Polymer Chemistry
- Porous Organic Materials for Toxic Ion Separation/Adsorption and Catalysis
- Single crystal X-ray diffraction
- Solid State Chemistry: Synthesis and Application of Mesoporous Materials
- Synthesis and Characterization of Organic-Inorganic Hybrid Porous Materials
- Synthetic Inorganic Chemistry, Synthetic Organic Chemistry

Projects/Consultancy:

Investigator	Period	Title of project	Funding Agency	Grants (Rs. in Lakhs)
Dr. Hari K. Kadam	Nov 2021– Nov 2023	Synthesis of novel aminocoumarin-based fused heterocyclic compounds for prospective anticancer studies	UGC	10.00
Dr. Savita A. Kundaikar	Nov 2021- Nov 2023	Functional Polyoxometalate based materials: Design, Synthesis, Characterization, and catalytic properties	UGC	10.00
Dr. Hari K. Kadam	Jul 2022 - Jun 2025	Synthesis of novel fused heterocycles with cytosine, adenine, guanine, coumarin, pyridone, imidazoline-based skeletons & their anticancer study	DST, Govt. of Goa	2.5
Dr. Pranay P. Morajkar	Oct 2022 - Sep 2025	Development of transition metal oxide-based nanostructured materials as high-performance electrochemical supercapacitors for sustainable energy storage technology	DST, Govt. of Goa	7.5
Dr. Anjani P. Nagvenkar	Sep 2022 - Sep 2024	Tuning the Thermal and Electrical Conductivity of BaZrS ₃ Chalcogenide Perovskite as Electrode Material for High Power Generation in Thermogalvanic Cells	SERB-DST	32.17
Dr. Prajesh S. Volvoikar	Sep 2022 - Sep 2024	Iodine/hypervalent iodine mediated intramolecular dehydrogenative cyclisation for synthesis of natural	SERB-DST	32.99

		product and pharmaceutically important motifs		
Dr. Sandesh Bugde (Co-PI)	June 2022-June 2024	Biotechnological Potential of Extremozymes from Halophilic Archaea Isolated from Solar Salterns of Goa India	DST, Govt. of Goa	1.86
Dr. B .A. Shinkre	Dec 2023 - Dec 2026	Synthesis and biological evaluation of ketopiperazine-based fused heterocycles as promising pharmaceutical agents	DST-SERB-SURE	29.17
Dr. Karmalkar, Deepika	Jan 2024 - Jan 2026	Synthesis and Characterization of Mononuclear Ruthenium Catalyst for Effective Water Oxidation	Goa State Research Foundation, Govt. of Goa	5
Dr. Volvoikar, P.S.	Feb 2024 - Feb 2026	Visible light mediated organic transformation via dehydrogenative C-C bond formation: Green approach for synthesis of natural product and its derivatives	Goa State Research Foundation, Govt. of Goa	2.6
Dr. R.E. Patre	Mar 2024 - Mar 2027	Designing Coumarin-Marine Inspired Hybrids for Advanced Chemosensing in Goa's Water Ecosystem and their Therapeutic Applications	Goa State Research Foundation, Govt. of Goa	17
Dr. S.A. Kundaikar	Mar 2024 - Mar 2027	Polyoxomolybdoxovanadates-based materials in electrochemical detection methods	Goa State Research Foundation, Govt. of Goa	21.3
Dr. S. N. Dhuri	Mar 2024 - Mar 2027	Activation of Small Molecule Transition Metal Compounds Bearing Heme and Nonheme N-donor ligands and Effective Catalytic Transformations via a Biomimetic Approach	Goa State Research Foundation, Govt. of Goa	22.55
Dr. S. N. Dhuri	Nov 2023-Nov 2024	DBT-UNESCO-TWAS POSTGRADUATE SANDWICH FELLOWSHIP AWARD	DBT-TWAS	4.29

Seminars, Conferences, Workshops etc., organized:

1. Expert Session on Preparing for the Big Day: Best Practices for Interview through Mock Interviews (8 Apr 2024)
2. Campus Placement by Godrej Agrovat Ltd., Mumbai (19 Apr 2024)
3. Campus Placement by V.M. Salgaonkar, Vasco (19 Apr 2024)
4. Campus Placement by Unichem Laboratories Ltd. (10 Apr 2024)
5. Cleanliness drive at Advai-Peddyem Junction, Bhironda-Goa (22 Mar 2024)

6. 16th Annual One Day Symposium on the theme 'Fascinating World of Chemical Sciences: Chemistry Fest' in association with CDFAA (9 Mar 2024)
7. Campus Placement by Deccan Fine Chemicals (1 Mar 2024)
8. Institutional visit by Govt. High School, Dabem, Goa (28 Feb 2024)
9. Institutional visit by Miraj Mahavidyalaya, Miraj, Maharashtra (16 Feb 2024)
10. Institutional visit by A.E. Society's Tuljaram Charutchand Arts, Science, and Commerce College, Baramati, Maharashtra (16 Feb 2024)
11. Talk on 'Why Gold is Rare?' by Prof Vithal Tilvi, GSHEC, DHE, Goa (13 Feb 2024)
12. Institutional Visit by Faculties and Students of Govt. Arts and Science College, Trichy (9 Feb 2024)
13. Institutional Visit by Faculties and Students of MES Mampad College, Malappuram, Kerala (30 Jan 2024)
14. Institutional Visit by Faculties and Students of Smt. Kasturbai Walchand College of Arts and Science, Sangli - Maharashtra (30 Jan 2024)
15. Session on Career opportunities at Bhabha Atomic Research Centre-BARC (24 Jan 2024)
16. Institutional Visit at School of Chemical Sciences by Faculties and Students of CES's Parvatibai Chowgule College of Arts and Science (Autonomous), Margao, Goa (12 Jan 2024)
17. Two-day National Crystallographic ICDD Workshop 2023 on "Materials Characterization Using Powder X-ray Diffraction" (7-8 Dec 2023)
18. Institutional visit by National Forensic Science University, Curti, Ponda, Goa (1 Dec 2023)
19. Talk on 'Development of Artificial Ion Transporters as Therapeutics Agents to Combat Cancer' by Prof Pinaki Talukdar, FRCS (6 Nov 2023)
20. Swachhata Hi Seva 2023 Campaign (30 Sep 2023)
21. SCS Inter-section Football Tournament 2023 (7-9 Sep 2023)
22. A talk on 'Navigating the path of entrepreneurship' by Dr Monika Joshi (1 Sep 2023)
23. Administration of Panch Pran Pledge (10 Aug 2023)
24. Planting of Saplings under Mission LiFE as a part of Vasudha Vandhan (10 Aug 2023)
25. Motivational talk for Students (20 Jul 2023)
26. Visit to All India Institute of Ayurveda (Govt. of India, Ministry of AYUSH), Dhargal, Pernem, Goa on (12 Jul 2023)
27. Talk by Dr. Srinivasarao Yaragorla (11 Jul 2023)
28. Yoga Workshop (21 Jun 2023)
29. Talk by Prof. C.S. Gopinath, Eminent Scientist of NCL, Pune-India (12 Jun 2023)

Conference/Webinars/Workshops Presentations/Participation:

- Dr Kedar Narvekar participated in the International Conference on Luminescent Materials at Guru Nanak Dev University, Amritsar on 15-16/03/2024.
- Dr. Kanchanmala Deshpande participated in the 13th National Conference on Thermodynamics of Chemical and Biological Systems at the Department of

Chemistry, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur on 26-28 Oct 2023.

Lectures delivered:

- Prof. Sunder N. Dhuri delivered an invited lecture on Biomimetic Chemistry of Transition Metal Elements at Govt. College - Khandola in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 15/01/2024.
- Dr. Delicia Avilla Barretto delivered an invited lecture on Probiotics: The health beneficial microbes at Govt Higher Secondary School Mastimol in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 16/01/2024.
- Dr. Kanchanmala Deshpande delivered an invited lecture on Sensing Technology and Its Applications at Vadem Nagar Higher Secondary School, Mormugao in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 17/01/2024.
- Dr. Hari Kadam delivered an invited lecture on HPLC at St Xavier's College on 05/02/2024
- Dr. Hari Kadam delivered an invited lecture on career option with chemistry at Govt College - Sanquelim on 31/08/2023.
- Dr. Hari Kadam delivered an invited lecture on Diversified Avenues for Career in Chemistry at Fr. Agnel Higher Secondary School, Pilar in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 17/01/2024.
- Dr. Hari Kadam delivered an invited lecture on Techniques of Analytical Chemistry in Everyday life at Dr. Ambedkar Higher Secondary School, Kolvale in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 29/01/2024.
- Dr. Amrita Pradeep Kharangate delivered an invited lecture on Basic Concepts In Biochemistry at Aim Higher Secondary School Of Arts, Commerce, And Science, Davorlim in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 29/01/2024.
- Dr. Amrita Pradeep Kharangate delivered an invited lecture on Basic Concepts In Biochemistry at Gomantak Ayurveda Mahavidyalaya & Research Centre Shiroda in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 30/01/2024.
- Dr. Amrita Pradeep Kharangate delivered an invited lecture on Basic Concepts In Biochemistry at Rosary Higher Secondary School Navelim in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 02/02/2024.
- Dr. Shrikant Ramesh Naik delivered an invited lecture on Environmental Chemistry at Swami Vivekanand Vidya Prasarak Mandal's College Of Commerce, Shirshire, Bori in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 29/01/2024.

- Dr. Shrikant Ramesh Naik delivered an invited lecture on Environmental Chemistry at Immaculate Conception High School Dabal in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 02/02/2024.
- Dr. Shrikant Ramesh Naik delivered an invited lecture on Environmental Chemistry at Swami Brahmanand Mahavidhyalaya in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 03/02/2024.
- Dr. Rohan Keshav Kunkalekar delivered an invited lecture on Introduction To Nanomaterials and its applications at Shri Vijayanand Higher Secondary School, Bicholim in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 29/01/2024.
- Dr. Pranay P. Morajkar delivered an invited lecture on Smart Materials For Sustainable Energy And Environment at St. Xavier's College, Mapusa in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 31/01/2024.
- Dr. Pranay P. Morajkar delivered an invited lecture on Smart Materials For Sustainable Energy And Environment at Vidya Prabodhini College Of Commerce, Education, Computer And Management – Vidya Nagar in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 03/02/2024.
- Dr. Prachi Torney delivered an invited lecture on Exploring The Transformative Power Of Enzymes In Industry And Medicine at Vidya Prabodhini Higher Secondary School Of Arts, Science & Commerce, Porvorim in association with Directorate of Higher Education, Government of Goa as a part of 'Vidnyan Dhara 2024' on 31/01/2024.

Guest Lecture Organized:

Invited lecture entitled ‘Microbial community dynamics in seafoam as a proxy of sea spray aerosols’ by Prof. Koji Hamasaki, Atmosphere and Ocean Research Institute, The University of Tokyo, Japan on 13th September 2023.

Student Activities

1. M.Sc. Marine Science Part I students visited the National Institute of Oceanography, Dona Paula, and the India Meteorological Department, Altinho, Panaji, on 9th September 2023.
2. M.Sc. Marine Science students field trips onboard research vessel/fish trawler were conducted in the Mandovi Estuary on 09th Sept 2023 and 03rd Feb 2024.
3. M. Sc. Marine Science Part II students field visit was conducted to an aquaculture facility at Kumta, Karnataka on 13th October 2023, and also visited the Sharavati Kandla Mangrove Ecosystem, Honnavar, Karnataka, on 14th October 2023.

Major Trust Areas: Igneous Petrology, Microplastic pollution study, Precambrian Tectonics, Modern Sedimentology, Sediment Geochemistry, Petroleum Geology of Mesozoic Basins, Igneous Petrology and Volcanology, Micropalaeontology, Ground water Geology, Micro plastics, Structural Geology, Metamorphic Petrology, Polar Micropaleontology and Past climate.

Ongoing Research Projects:

1. Dr. Niyati G. Kalangutkar:

- Study of Microplastic from Coastal Areas of Goa, (DS&T(WM) funded).
- Physicochemical characterization of BIFs for sustainable economic prospects for trace and REE. (GSRF funded).

2. Dr. Nicole Ann Fae Sequeira:

- SERB funded Startup Research Grant (30 Lakhs) for project titled ‘Deciphering the tectonic evolution of the Precambrian rocks along the West Coast of India at the proposed northern margin of the Western Dharwar Craton, and the Madagascar-India connection revisited’ with P.I. Dr. Nicole Sequeira

Seminars, Conferences, workshops, etc. organized:

- **Dr. Nicole Ann Fae Sequeira:**

Seminar: ‘Embarking on a global Academic Journey: Insights into the PhD Application Process in Earth Sciences’ with resource person Mr. Pratik Santra, organised by Dr. Nicole Sequeira on 25.7.23 at SEOAS.

Workshop: ‘Basic First Aid’ conducted in association with Indian Red Cross Society, Goa organised by Dr. Nicole Sequeira at SEOAS on 3.10.23

III. LECTURE ORGANIZED

Dr. Vijay Gawas, Asst. Professor, organized a talk on “**Uniform Civil Code**” on the 11th of November 2023 at conference Hall, Goa University, Taleigao Goa, under the auspices of Manohar Parrikar School of Law Governance and Public Policy and the CSSEIP of D.D. Kosambi School of Social Science and Behavioral Studies in collaboration with Goa State Legal Authority, High Court of Bombay at Goa.

IV. WORKSHOP ORGANIZED/ CO-ORDINATION OF EVENTS:

- Dr.VijayGawasorganized workshop on **“Sensitization Programme on HIV AIDS: Laws and Policies”** on 12th March 2024 in collaboration with Goa State AIDS Control Society.
- Dr.VijayGawas organized workshop on **“Legal Awareness: Legal services for the empowerment of Women”** on the 09th of March 2024, at village Panchayate hall of Tivremorgao in collaboration with Directorate of Unnat Bharat Abhiyan with support of village panchyate of TivremorgaoGoa.
- Dr.VijayGawas, Asst. Professor of Law MPSLGPP, organized a workshop on **“Legal Awareness: Legal Services for the empowerment of Tribals and Tribal Sub- Plan”** on the 12th of March 2024 at Government High School Kalem-Goa, in collaboration with Directorate of Unnat Bharat Abhiyan.
- Dr.VijayGawas, organized workshop on **“Empowering Justice: Legal Aid Awareness for Disabilities and Vulnerable Groups”** on the 04th of Feb 2024, at village Panchayat Hall of Priol in collaboration with Directorate of Unnat Bharat Abhiyan supported by village Panchayate of Priol, Ponda Goa.
- Dr.VijayGawas organized workshop on **“Special Enrolment Drive for Voter’s Registration”** on the 7th of December 2023 in association with Electoral literacy Club and the Directorate of Internal Quality Assurance Goa University.
- **Dr.Vijay Gawasorganised a One-Day National Seminar** on the theme **“Rights of Elderly Citizens: Issues and Challenges”** in collaboration with the Directorate of Social Welfare, Government of Goa on the 27th of March 2024.

DIRECTORATES

3.1 DIRECTORATE OF RESEARCH DEVELOPMENT & RESOURCES MOBILISATION (DRDRM)

During June 2023 to May 2024:

1. **Research Projects:** A total of 30 Research projects were funded by the following agencies. MEITY, DBT, DSTE, SERB, DST, MFRC, GFD and DCF, GSRF, ECSO Global, DSPWM.
2. **New Research Proposals:** Altogether new Research Proposals submitted this year 176 for funding to the following agencies: MEITY, ICSSR, SERB, ICIMOD, MNRE, GFD, DST, DBT, DNRE, DST-FIST, CSIR, SERB-SURE, DCF, UGC, DSTE, MOES, ICMR, MOTA NCPOR, MTA, IGSTC, DSTE-Waste Management, DST-PURSE Project, GSRF.
3. **Seed Money Grant:** Goa University through D-RDRM provided Seed Money grants to 03 faculty for Rs.3,00,000/-.
4. **Research Incentives Funds (RIF)** For Rs.1,019,110/- for purchases of equipment's, collecting of Samples, attending Conferences, Symposium etc.
5. **Intellectual Property Rights:** The Directorates established the Intellectual Property Rights (IPR) Scheme for the 14 best proposals for Rs.50,000/- each the year to support IPR for Patent, Copyright, Geographical Indicator and Trademark.
6. The Directorate also supports researchers for their Ethical Clearance for studies involving Human subjects through its IHEC Committee and Sub-Committee.

(Prof. Sanjeev Ghadi)
D-RDRM

3.2 DIRECTORATE OF EXTRA MURAL STUDIES AND EXTENSION SERVICES (DEMS & ES)

Extra Mural Studies and Extension Services are essentially a third dimension of higher education if we consider the first two as formal teaching and research. The stakeholders for this third dimension include cross sections of society such as adults, school drop-outs, professionals, housewives, slum population, street children, and a host of learning groups who need not necessarily have a formal qualification to learn certain essential inputs.

The Department of English of Dnyanprassarak Mandal's College and Research Centre, Assagao in collaboration with the Directorate of Extra-Mural Studies & Extension Services organised **COLLOQUY 2024 - A Two Day Spoken English Workshop for School Students on 5th and 6th February 2024**. A group of 30 students each from Assagao Union High School, Assagao and New English High School, Keri were the beneficiaries of this workshop. The workshop was organised with the objective of fine-tuning the student's use of the English language and exposing them to a range of activities that would facilitate in improving their communication skills.

(Prof. Anuradha Wagle)
Director, DEMS & ES

3.3 DIRECTORATE OF DIGITAL LEARNING & INITIATIVES (DDLI)

The Directorate of Digital Learning and Initiatives (DDLI) has continued to evolve since its establishment in 2002 as the Distance Education and Training Infrastructure (DEITI). Our mission remains steadfast: to leverage advanced digital technology to provide quality education to remote areas in Goa, aligning with the directives of the Ministry of Human Resource Development (MHRD), Government of India. Over the past year, DDLI aimed to enhance educational access through digital learning platforms, focusing on expanding the range of courses offered, increasing participation in training programs for educators and healthcare professionals, and improving the quality of digital content produced.

In this period, we upgraded our lecture recording studio, now equipped with advanced acoustics and a multi-camera setup, ensuring high-quality video production. We successfully recorded and edited a diverse range of courses, workshops, and bridge courses, utilizing full HD and 6K capabilities. A significant achievement was our role in producing the e-content for the Directorate of Higher Education (DHE), Goa under the project 'DISHTAVO'.

Our dedicated team has shown remarkable commitment, contributing to the successful execution of various programs. Staff participated in professional development workshops to enhance their skills in digital content creation and instructional design, ensuring they remained at the forefront of educational technology. Looking ahead, DDLI aims to introduce new online courses tailored to diverse learning needs, expand partnerships with educational institutions and healthcare organizations, and invest in further technological enhancements to improve content delivery and engagement. As we continue our mission of transforming education through digital learning, we appreciate the support of our stakeholders and look forward to another year of growth and innovation.

During the period from June 2023 to May 2024, the Directorate of Digital Learning and Initiatives (DDLI) has successfully developed a range of courses tailored to various academic disciplines. Notable offerings include

- a) Bridge Course in Quantum Mechanics by Prof. Ramesh V. Pai (School of Physical and Applied Sciences, Goa University),
- b) Certificate Course in Konkani Proficiency (Module 1 & 2) Coordinated by Dr. Hanumant Chopdekar (ShenoiGoembab School of Languages and Literature, Goa University),
- c) Pre PhD course on Research and Publication Ethics - RPE 603 Coordinated by Prof. Ganesha Somayaji (D.D. Kosambi School of Social Sciences and Behavioural Studies, Goa University),
- d) Marine Ecology by Prof. C. U. Rivonker (School of Earth, Ocean and Atmospheric Sciences, Goa University),
- e) Bridge Course in Mathematical Physics by Dr. RajeshKumar Shankar Hyam (School of Physical and Applied Sciences, Goa University)
- f) Bridge course in Optics by Dr. Cherukulappurath Sudhir (School of Physical and Applied Sciences, Goa University)
- g) Physics Practical (Lab Videos) by Prof. Kaustubh R.S. Priolkar (School of Physical and Applied Sciences, Goa University)

The e-content produced is published on Goa University website under ‘UNIGOA PATHSHALA’ and is accessible to the students through MOODLE Learning Management System (LMS)

Beyond course development, DDLI has been instrumental in recording various national and international seminars, conferences, lecture series, and workshops

The directorate also rendered the services to document the proceedings of the 22nd National Space Science Symposium 2024, held between February 26–March 1, 2024. The public lectures delivered by renowned experts at different venues across the state of Goa as a part of this symposium were LIVE telecast over Goa University YouTube Channel for public viewing.

Moreover, DDLI extends its impact beyond the university by providing hands-on experience in studio technology for university on-campus students as well as students from affiliated colleges. The directorate also offers services such as video documentation, video conferencing, and webcasting to various university departments and directorates, further enhancing the educational resources available to the Goa University community.

PART 4

FACILITIES AND INNOVATIVE PROGRAMMES

4.1 COMPUTER CENTRE

The University Computer Centre was set up way back in 1987 with the assistance of UGC to establish a Central Computing facility on the campus. Since then, it has been providing all kinds of IT services to the Administration, faculty as well as students of the University.

It has also provided software solutions to various University activities including Administration, Finance, and Examinations. The computer network, Internet services, and the Data Centre are also the major IT infrastructure which is being provided and maintained by the Computer Centre. As a part of IT infrastructure expansion, the Hyper Converge Infrastructure of Nutanix has been deployed. This will cater to the IT needs of various stakeholders. The overall surveillance solution for the entire campus of Goa University is managed and maintained at the Computer Centre.

In an effort to improve accountability and transparency and facilitate e-governance, e-Office Suite, a product developed by the NIC a Government of India undertaking has been implemented. In addition to facilitating quick decision-making, a paperless office environment will reduce the amount of physical file movement. Furthermore, the software is cloud-enabled and accessible round-the-clock and is deployed at the RailTel Data Center. Modules for eFile, KMS, and PIMS make up the e-Office product.

- a. **eFile:** Module processes are based around the creation of files, noting in the file, decisions at various levels, and finally issuing decisions as letters and notifications. Any request to the university officials goes through an elaborate processing of different stages called workflow.
- b. **Knowledge Management System (KMS):** Enables users to create and manage electronic documents that can be viewed, searched and shared. It is also capable of keeping track of the different versions modified by different users (Tracking history). It also contains a dynamic workflow to keep documents in various stages.
- c. **Personnel Information Management System (PIMS):** Is a workflow-based system for maintaining the details of an employee. The main details of Employee Identity, Skill Sets, Contact Details, Posting & Location, CGHS, Nomination, Service Vol-1 and Vol-2, Loans, Salary Details, HBA, Record Verification Details. PIMS allows users to enter and update the employee's personal data and employment records according to the access and role privileges. PIMS stores all the information required from an employee as per the provisions of the Service Book.

The Computer Centre has also provided indoor as well outdoor Wi-Fi internet solutions to its users viz. Administration building, faculty blocks, and Hostels. LAN connectivity facility is provided in the Men's PhD hostel and all the Women's Hostels. Furthermore, the Computer Centre has enhanced the fiber connectivity to new upcoming buildings within the campus.

(Shri Sanjay Bandodkar)

Head of Computer Centre.

4.2 LIBRARY

The Goa University Library and Information Centre, was established in the year 1985. It was then part of the Post Graduate Centre of Bombay University (CPIR). From its modest collection of books, this library has developed into a huge library with modern facilities.

At present, the library has a collection of 189531 books and 10983 volumes of bound journals. The library subscribes to 115 periodicals. The library is getting a large number of periodicals on gratis too.

The library is automated for its routine works and the entire collection is bar-coded. The library services are being done through an Open-Source Integrated Library Management Software Koha. Users can easily get aware on the availability of books and they can reserve and renew the books themselves through this software.

The library also offers access to general reference materials like the Encyclopedia Britannica and Encyclopedia of Science and Technology, World Book Encyclopedia, and Oxford English Dictionary.

Special Collection

The library is fortunate to have donations from many individuals. For instance, it contains a collection of rare books on Indo-Portuguese History and Culture donated by the late Dr. P.S.S. Pissurlecar (about 5000 books in various languages). Dr. Nuno Gonsalves of Portugal, Dr. Carmo Azavedo, Adv. Mascarenhas to name a few.

Library website

The library website can be accessed at the URL www.library.unigoa.ac.in. This website is developed using an Open-Source Content Management System Wordpress. We have developed a huge Knowledge Portal with it, which links to multifarious information resources on the Internet. All online resources of the library are linked on this page. We have added 344 e-books on various subjects to our collection. A wide range of online resources are also available on this page.

UGC e-Shodh Sindhu Consortia

Goa University Library, being the first phase member of the UGC eSS Consortia, avails the IP authenticated e-journals from the Inter-University Centre of the UGC namely the INFLIBNET Centre, Gandhinagar. eSS provides 11 databases to Goa University. University stands at the top most rank in the usage of these e-journals.

Databases (e-Resources) Subscribed by Goa University

A large number of online resources (full-text journals, citation & abstracting services, federated search engines, statistical tools etc.) are available to the users of the library through University funds. There are such 15 databases and 8 research assistance tools provided to the end users. The links to all these are provided via the Knowledge Portal available at <http://www.unigoa.ac.in/library/knowledge-portal/>. The off-campus access to these resources is provided through Shibboleth software provided by UGC INFLIBNET.

Bookeye Scanner

The Library provides digitized copies of books to Research scholars/ students/ faculties on demand.

Institutional Repository

The Goa University Library has digitized its 1193 Thesis, 4410 Journal articles, 817 Book Chapters, 417 Conference articles, 291 Books and 120 Technical Reports and uploaded them to the Digital repository created using the Open-Source Software D-Space. We have started uploading postgraduate dissertations and grey literature related to the University.

Publications

Goa University Library had a major role in the development of the Konkani Encyclopedia using the Konkani Vishwakosh published by the University. The entire encyclopedia volumes are digitized and copies are also available in our repository for download. Library has also published the bibliography of Dr. P.S.S. Pissurlekar collection (set of 3 volumes) and Mr. Nuno Gonsalves collection (set of 2 volumes) which helps the users and researchers to browse the details of the whole collection thereby saving their time.

Browsing facility

The library has 25 computers attached to the Internet, which the faculty and students can use for browsing the net. It has access to the 1GB campus-wide connection. The library is Wi- Fi enabled and also provides Remote access to Research Scholars/ Research Guides/ PG Students/ Faculties with regards to E-Resources.

Activities conducted by the Library

University Library is in charge of checking research reports for Plagiarism. Research scholars are given help in checking their research reports for Plagiarism. Our entire Ph.D. thesis being submitted is subjected to the Plagiarism checking.

Goa University Library conducts demonstration sessions on several databases and statistical tools being in association with specific discipline which gives hands-on experience to the end users and also creates awareness so that the usability of e-Resources increases

Regular orientation sessions are given to the new batch of students of the University.

The following activities were undertaken during the period June 2023 to May 2024:

1. Talk on “Importance of Reading Habits” on 12th July 2023.
2. Herald Quiz Competition on 18th July 2023.
3. Library day celebrated on 14th August, 2023.
4. “NACLIN 2023” National Conference from 22nd to 24th November, 2023.
5. Capacity Building Program of National Mission on Libraries for Public Library Personnel from 15th to 19th February 2024.

(Dr. Sandesh B. Dessai)

University Librarian

4.3 SPORTS ACTIVITIES

All sports activities are organized systematically and in a sporting atmosphere as per the schedule approved by the Sports Council. Students participating in sports are given the benefit of marks and attendance as per Goa University Ordinances.

Goa University has a rich sports infrastructure at its campus for post-graduate students at the University campus, besides coaching and intercollegiate tournaments. Various intra-mural events for post-graduate students are also conducted using this infrastructure.

Outdoor Infrastructure includes Cricket ground, Standard 400M Athletics track, Football ground, Volleyball court, Basketball court, Concrete batting pitch for net practices, and Kabaddi court.

The Indoor (Silver Jubilee Hall) is used for conducting activities like Chess, Judo, Weight Lifting, Power Lifting, Best Physique, Tennikoit and Taekwondo

Dr. Shyama Prasad Mukherjee Stadium on campus is used to conduct Chess, Table Tennis, Kabaddi on Mats, Best Physique, Tennikoit, and Taekwondo.

4.4 U.G.C. – MALAVIYA MISSION TEACHER TRAINING CENTRE

The UGC-Malaviya Mission Teacher Training Centre (MMTTC) is an outcome of the National Education Policy (NEP) in 1986. The UGC-MMTTC was established to act as an agency to bring about changes and development in education. The NEP in its programme of action makes a pointed reference to the crucial link between teacher motivation and quality of education. Since teachers occupy a key position in the education system, the quality, competence and character of teachers are of utmost importance. They influence the standard of education and thus contribute to national development through meaningful study and research.

The UGC-MMTTC at Goa University has been conducting Orientation Courses (Faculty Induction Programmes) since its establishment in February 1988. In addition to Faculty Induction Programmes, Refresher Courses and Short-Term Courses, the UGC-MMTTC has been regularly organizing Seminars/Conference/Interaction Programme/Meets as well as Training Programmes for Non-Teaching Staff and other academic activities. Thirty Programmes (29 UGC Sponsored and 1 Goa University Sponsored) were held from June 2023 to May 2024, out of which 27 were held online and 3 were held offline.

In keeping with the recent advances in Information Technology, the UGC has given a major thrust to IT and its applications. Due to the pandemic, Seven Refresher Courses, Four Faculty Induction Programmes and Six Short Term Courses were held online. Two Training Programmes were held offline for the Non-Teaching Staff of Goa University and its affiliated Colleges as well as a Research Writing Workshop was organized in collaboration with the Directorate of Research Development & Resource Mobilization (D-RDRM) for the non Ph.D. faculty of Goa University. Ten NEP Orientation and Sensitization Programmes were also held online.

UGC-MMTTC at Goa University completed its 121st Faculty Induction Programme (GURU - DAKSHTA) and Refresher Courses catering to 4136 and 6604 participants respectively. During the year 2023-24, the UGC-MMTTC conducted 4 Faculty Induction Programmes (GURU - DAKSHTA), 7 Refresher Courses in the subjects of Commerce/Management, Hindi, Social Sciences (Inter-disciplinary), Environmental Sciences (Inter-disciplinary), Life Sciences (Inter-disciplinary), Business Studies (Commerce, Management) (Inter-disciplinary) and Computational Sciences (Physics, Chemistry, Computer Science & Maths). 6 Short Term Courses on Yoga, Gender Sensitization, Research Methodology, Soft Skills, Marathi, and Entrepreneurship, Innovation & Start-Ups were held. 2 Training Programmes were also held for Group B and C Staff and Academic Administration. 10 NEP Orientation and Sensitization Programmes were also held in an online mode.

Continuous improvements were made by receiving feedback from participants and resource persons. Varied pedagogy was used and hands-on training sessions in IT were conducted by experts. The courses were well attended and appreciated by participants.

4.8 WORK STATION FOR MICRODATA FROM CENSUS

The initiative to host the Census Microdata Workstation was taken by Goa University in response to the invitation received from the Director of Census Operations. The Memorandum of Understanding (MOU) for setting up the workstation was signed by the Joint Director, Directorate of Census Operations, Goa Registrar, Goa University, and the workstation was established in the Goa University Library building.

The objective of setting up a microdata station was to promote research in academic institutions and permit qualified researchers to optimum use of anonymized sample microdata from the census for in-depth research. The workstation enables the researchers to access microdata that the census does not publish.

To enhance the usage of Census Data and the Workstation, a workshop was conducted on January 4th, 2024, titled: "Census: A Journey & Census Data Bank & Website" to disseminate the data prepared by the Census of India. There were two resource persons for this workshop, namely, Shri. K. V. Rajeswara Rao, Joint Director, Directorate of Census Operations, Goa, and Shri. Jogendra B Tamgadge, Assistant Director, Directorate of Census Operations, Goa

Shri K. V. Rajeswara Rao briefed about the historical foundations of the census, dating back to India's first independent census in 1951. Shri Rao also discussed the evolution of life

expectancy, the legal framework governing the census, and the importance of women's representation in Article 332/A. He explained the detailed phases of census data collection and the use of technology in data collection and dissemination. He also discussed Goa's demographic specifics and national initiatives like the NPR, CAA, NFHS, and institutions.

This was followed by a practical demonstration by Shri Jogendra B. Tamgadge, who walked the audience through various segments of the census website. This was a useful guide for students and researchers who were searching for and downloading various types of census data. He explained the different types of datasets available including demographic, social, and economic analysis. Shri Tamgadge discussed the process of the civil registration system, medical certification of causes of death, and the sample registration system, emphasizing their crucial roles in the statistical framework.

The participants included students, Research Scholars and Teaching faculties of Goa University and affiliated Colleges of Goa.

Members of the GU committee during this year included.

Prof. Pranab Mukhopadhyay, GBS - Chairperson

Dr Aparna P. Lolayekar - Member

Dr Harip Khanapuri - Member

Dr. Carlos M. Fernandes – Member Secretary

4.9 UNIVERSITY SCIENCE AND INSTRUMENTATION CENTRE (USIC)

University Science Instrumentation Centre (USIC) is a central instrumentation facility of the university consisting of Electronics, Mechanical, and Glass Blowing workshops managed by faculties, officers, and trained technicians. The work undertaken by USIC can be broadly classified as

- Analytical services for sophisticated instruments,
- Maintenance of equipment of Language and Science Laboratory,
- Fabrication of teaching aids,
- Development of new instruments

The USIC has a Scanning Electron Microscope (SEM) and Energy Dispersive X-ray Spectroscopy (EDS/EDX). This facility can be used for image morphology of samples, image composition, bonding differences, micro- and nano-lithography, etc.

Facilities at USIC:

- Carl-Ziess Scanning Electron Microscope (SEM),
- AMETEK EDAX facility,
- High Vacuum Pumpstation,
- High Temperature Furnaces,

- Milling Machine, Lathe Machine,
- Drilling Machine, etc.

Activities Conducted:

Activity 1: ATAL FDP on Imaging Spectroscopy and Machine Learning Date: 9th to 21st January 2023

The Faculty Development Programme was organized from 09th to 20th January 2022 by the University Science Instrumentation Centre under the School of Physical and Applied Sciences, Goa University. In the weeks of the Faculty Development Programme various related topics based on Imaging Spectroscopy and Machine learning were discussed and deliberated by renowned resource persons in these areas. The FDP was financially supported by AICTE Training and Learning Academy. A total of 45 Participants registered for the programme from the electronics and computer science background. They comprised faculties, Ph.D. students and postgraduate students from Goa and other states such as Kerala, TamilNadu, Karnataka, Andhra Pradesh, Puducherry, and Delhi. The two weeks of FDP were conducted in two phases. The phase I of this programme was conducted in online mode from 9th to 14th January 2023 and the lectures of these sessions were scheduled from 7:00 pm to 9:30 pm as per IST. While phase II of this programme was conducted in offline mode from 16th to 20th January 2023. The offline week was mainly based on explaining the theory and practical hands-on using MATLAB and Python.

Highlights of the activity:

- Insight on recent trends in Imaging Spectroscopy and Machine Learning
- Industrial visits.
- Visit to near by Institute of National Importance.
- Focus on Emerging research areas in Imaging Spectroscopy and Machine Learning Hands-on sessions in demonstrating the case study in the thematic area.
- Analysis & reflection of quality research journal articles in the proposed field.
- Session on National Education Policy (NEP) 2020 Implementation.
- Session on Indian values & ethos, Classroom conduct & behaviour (teaching learning psychology) Sessions on Life Skills such as time and stress management Sessions on Research Methodology for upcoming researchers

The speakers/Faculty for the FDP are as follows:

1. Prof. Raghavendra Ramachandra, Professor, Department of Information Security and Communication Technology, Faculty of Information Technology and Electrical Engineering, Gjøvik, Norway
2. Prof. G. M. Naik, Professor of High Academic Grades in Electronics, Former Dean of Natural Sciences, Goa University
3. Dr. Lokesh C. Tribedi, (Group Leader), Full Professor (H), Department of Nuclear and Atomic Physics, Tata Institute of Fundamental Research, Mumbai, India
4. Dr. Rajesh Kushawaha, Assistant Professor, Scientist, Physical Research Laboratory Ahmedabad
5. Prof. Vithal Tilvi, Professor, Research, Development & Innovation Goa State Higher Education Council, DHE, Goa
6. Dr. Kiran Raja, Associate Professor, Department of Computer Science, Faculty of Information Technology and Electrical Engineering, Gjøvik, Norway
7. Dr. Pankaj Wasnik, Principal Research Scientist, Sony Research India Pvt. Ltd.,

Bengaluru, India

8. Dr. Anil Rane, Assistant Professor, Institute of Psychiatry & Human Behaviour, Government of Goa
9. Prof. Rajendra Gad, Vice-Dean, School of Physical and Applied Sciences, Goa University
10. Dr. Narayan Vetrekar, Assistant Professor, School of Physical and Applied Sciences, Goa University

(Dr. Narayan Vetrekar)

Coordinator, USIC

4.10 REMOTE SENSING LABORATORY

4.11 DAY CARE CENTRE

The University Day Care Centre (DCC), located at B-25/1 on the University campus, is a facility for the benefit of the University staff. The Centre is open for use of all University employee's children between 6 months to 6 years. The regular functioning of the DCC is looked after by one MTS and one Aaya, and the centre is managed by the DCC committee. The Centre is open from 9:30 AM to 5:45 PM on all working days. Facilities like Kitchen, Refrigerator, Washing Machine, Activity room, and a small children's park are available. Children are admitted to the DCC with a subscription amount of Rs. 1500/- Per Year. Application form is available on the University website and the yearly fee can be paid online through the SBI-Collect page. On average 10-12 children are admitted every year. About 10 children availed of the DCC facility during this period.

Activities conducted: Birthday celebration of children.

4.12 GUEST HOUSE

4.13 STUDY INDIA PROGRAMME (SIP)

For this academic year's SIP four students arrived from the College of International Relations, Nihon University, Mishima, Japan in the last week of August 2023. After a course on Basic Orientation in English, they attended courses on Indian History, Indian Philosophy, India's Economic Development, International Management, Political Science and International Relations, and Social Issues. In the month of November 2023, they participated in a weeklong study tour to North India and in the month of January 2024 they visited South India. In the first week of March 2024 the students returned to Japan.

Achievements of the College:

1. It is a great pride that ours is the only general college from Goa which found place in INDIA RANKING 2023 under NIRF conducted by MoE Government of India in 2023 for Higher Education Institutions and was placed in the Rank band of 151-200.
2. College received 164.96 lakhs under DBT Star college scheme for strengthening undergraduate Science Education .
3. A MoU was signed between CSIR NIO and the College on 6th September 2023. Main objectives of signing MoU are collaborative efforts in framing and implementing academic and research programs, sharing faculty in a blended mode for academics.
4. As a part of MoU activity all Science Faculty members of the college visited CSIR NIO for a Faculty - Scientist interaction on 28th November 2023. HoD's and Scientists from different departments of NIO interacted with the group. Collaborative efforts in framing and implementing academic and research programs, in a blended mode for academics was discussed during the meet. Total 40 Science Faculty members across different science departments from our College participated in the interaction.
5. College has signed MoU with Directorate of Archives , Govt of Goa on 26th September 2023
6. College has signed two years MoU with GIPARD on 17th Nov 2023.

7. Research proposal of Dr. Vaibhav Naik, Dept of Chemistry has been approved for the GSRF Research Start-up-Grant scheme and Rupees four lakhs is sanctioned as first installment.
8. Research proposal of Dr. Rasika Gaonkar has been approved for the GSRF Grant Scheme and amount is sanctioned.
9. Nine faculty members from different Science departments of the college were deputed by DHE for Teachers training program for Science Faculty at IISc, Challakere campus from 26th October to 10th November, 2023
10. As a part of lecture series of National Space Science Symposium, college hosted a public lecture at Rajiv Gandhi Kala Mandir, Ponda on 29th February 2024. The public lecture on 'Indian Lunar Missions' was delivered by Shri. A. S. Kirankumar, Chairman- APEX Science board and Former Chairman, ISRO.
11. Assistant Professor, Department of Chemistry, Dr. Rahul Kerkar selected for a postdoctoral position at Gyeongsang National University, Department of Chemistry, South Korea.
12. Four Research, Development and Innovation Cells are established in the college for Departments of Life Sciences (Botany, Zoology and Microbiology), Departments of Physical Sciences (Physics, Chemistry, Mathematics and Computer Science). Department of Social Sciences (Economics, History, Philosophy, Political Science and Psychology), Language departments (English, Hindi Konkani and Marathi). Various research activities under this RDI cells were conducted throughout the year.
13. A Consumer Welfare Cell (PES Grahak Jagruti Manch) was inaugurated in our college on 12th January 2024. The main objective for formation of such a cell in the institution was to create awareness about Consumer rights, Consumer redressal mechanisms and knowledge of the provisions of Consumer Act,
14. PES Mangrove Unit was inaugurated on 3rd August, 2023. The event marked a significant milestone in our institution's involvement to create awareness about mangrove ecosystem and biodiversity amongst the student and local communities, to develop skills, positive attitudes and ethics towards mangrove conservation and environment.
15. Faculty members of Science Departments have delivered lectures at various Higher Secondary Schools/ High Schools as a part of "Vidhyan Dhara 2024" a Mega Science Lecture Series aimed at fostering scientific temperament among young minds organised by Directorate of Higher Education and Goa State Higher Education Council, Government of Goa.

Various departments have conducted the following certificate courses/ Summer training school for students:

1. Department of Microbiology conducted Summer School titled "Entrepreneurial skills in mushroom cultivation and fermented foods" tailored for undergraduate students from 8th May 2024 to 18th May 2024 at Food Technology Incubation Centre funded by Goa State Research foundation, Government of Goa., attended by 48 UG students belonging to Arts, Science and Commerce streams representing 9 colleges across Goa including our college.
2. Department of Information Technology conducted a 30 hours certificate course for B.Sc /B.A students on "Social Media Content creation", attended by 11 participants.

3. Department of Microbiology conducted 30 hours certificate course on “Probiotic foods and beverages” from 15th January 2024 to 29th January 2024, attended by 38 participants.
4. Department of Microbiology PG conducted a certificate course on antimicrobial assay from 1st April 2024 to 5th April 2024 attended by 14 participants.
5. NIO conducted a 30 hours certificate course on “Seaweed cultivation” from 14th May 2024 to 17th May 2024, attended by 24 participants in collaboration with Department of Botany of our college.
6. Department of History conducted a 30 certificate course on “Modi Marathi Script” from 27th Feb 2024 to 27th March 2024, attended by 46 participants from different colleges.
7. Department of Chemistry conducted a 42 hours certificate course on “Industrial Chemical Analysis and Instrumental Analysis” from 15th May 2024 to 25th May 2024, attended by 40 students.
8. Department of Zoology conducted 36 hours certificate course on “Entrepreneurial opportunities in Zoology: Exploring value added fish products” from 18th June 2024 to 24th June 2024, attended by 12 participants.

B.Department of Chemistry

Mrs. Anuradha B. Kanolkar

1. Presented a poster at two day international conference on “Green Chemistry And Intellectual Property For United Nations Sustainable Development Goals” organised by Dnyanprasarak mandals College and Research center (DMC) Department of Chemistry, Assagao Goa in association with Directorate of Higher Education (DHE) entitled Green Synthesis of calcium silicate from discarded shell waste: effect of synthesis

conditions” by Harsha P. Uskaikar & Anuradha B. Kanolkar, held from 22-23rd march 2024.

Dr. Harsha P. Uskaikar

1. Attended and presented an oral presentation entitled “Thermal and spectroscopic characterization of manganese oxide prepared by different synthesis routes.”
2. Poster presentation entitled “Synthesis of Co_3O_4 / Polyaniline nanocomposite: Structural, Morphological, Electrical and Electrocatalytic properties” at 3rd Journal of Thermal Analysis and Calorimetry Conference & 9th V4 (Joint Czech-Hungarian-Polish-Slovakian) Thermoanalytical Conference, held at Balatonfured, Hungary from 20th June to 24th June 2023.
3. Presented oral presentation at a National conference on Physics of materials & Materials based Device Fabrication 2023(NCPM-MDF-2023), organised by dept. Of physics, Shivaji University, Kolhapur, entitled “Structural and Electrical Properties of ZrO_2 /PANI Nanocomposites” held from 25-26 November 2023.
4. Natasha Da Costa & Dr. Harsha P. Uskaikar, presented oral presentation at a National conference on Physics of materials & Materials based Device Fabrication 2023(NCPM-MDF-2023), organised by dept. Of physics, Shivaji University, Kolhapur, entitled “Structural and dielectric properties of nano crystalline barium titanates prepared by electroless method”, held from 25-26 November 2023.
5. Natasha Da Costa & Dr. Harsha P. Uskaikar, presented poster presentation at ADVANCES IN MATERIAL SCIENCES (AMS-2024), organised by dept. Of Chemistry and Cluster Research Centre, Govt. College of Arts, Science and Commerce, Khandola, Marcel Goa, entitled “Comparative study of Antimicrobial and Photocatalytic activity of CuO/TiO_2 , held from 9th-10th February 2024
6. Presented poster at two day international conference on “Green Chemistry And Intellectual Property For United Nations Sustainable Development Goals” organised by Dnyanprasarak mandals College and Research center (DMC) Department of Chemistry, Assagao Goa in association with Directorate of Higher Education (DHE) entitled Green Synthesis of calcium silicate from discarded shell waste: effect of synthesis conditions” by Harsha P. Uskaikar & Anuradha B. Kanolkar, held from 22-23rd march 2024.

Dr. Pritam S. Borkar Patil

1. Dr. Pritam Borker, Assistant Professor Department of Chemistry presented a research paper entitled "Light Harvesting Through Metal Oxides For The Remediation Of Polluted Water And Hydrogen Production" in the Indo- South Korea- Thailand 3rd International conference on Nanoscience and Nanotechnology for Energy, Environment and Biomedical Applications (iNEEBA-2023), organized by Vinayaka Mission's Kirupananda Variyar Arts and Science College, India in association with Core - Facility Center for Photochemistry and Nanomaterials, Research Institute of Natural Science (RINS), Gyeongsang National University South Korea and Chulalongkorn University, Thailand during 1st - 2nd October, 2023.

2. Presented a poster entitled “Visible light harvesting by Ag doped CeO₂ for NO_x removal” at the International conference on Advancement in Chemical & Biological Research: Breaking Boundaries and Shaping the Future held at UkaTarsadia University, Bardoli Surat during 8th-10th February 2024.

Mr. Atul A. Pole

1. Participated and presented a poster titled “Influence of tungsten doping on the photocatalytic and antimicrobial activity of SnO₂ nanomaterials” at an International Conference on “Advancement in Chemical and Biological Research: Breaking Boundaries and Shaping the future” held at Tarsadia Institute of Chemical Science, Uka Tarsadia University, Bardoli from 8th February to 10th February 2024.

Dr. Chandan P. Amonkar

1. Published research paper in Indian Journal of Chemistry, Vol. 62, September 2023, pp. 945-949, entitled “Nanocomposite γ -ferric oxide (γ -Fe₂O₃) mediated green, solvent free, one pot synthesis of naturally occurring acetate esters” DOI: 10.56042/ijc.v62i9.5358.

Mr. Dominic Savio Dias

1. Published research paper in Indian Journal of Chemistry, Vol. 62, September 2023, pp. 945-949, entitled “Nanocomposite γ -ferric oxide (γ -Fe₂O₃) mediated green, solvent free, one pot synthesis of naturally occurring acetate esters” DOI: 10.56042/ijc.v62i9.5358.

Dr. Vaibhav M. Naik

1. Research proposal entitled “Fluorescent Carbon Dots for Environmental Pollutant Sensing and Remediation: Innovations in Pollution Mitigation” has been approved for the sanction of grant under GSRF Research Start-Up Grant Scheme (2023-24).
2. Co-authored two research articles:

CONVERGE 2024

Recognizing the need for Industry-Academia connect, a one-day event titled CONVERGE 2024 was held at the Goa College of Home Science (GCHS), Campal, Panaji – Goa, on Saturday, 20th January 2024. Ms. Pallavi Salgaocar, CA - Finance Director of GENO Pharma & Founder Director – Desserts N More Bakery was Chief Guest at the inaugural session. The Inaugural was followed by three Technical Sessions, “Nutrition & Dietetics in the Digital Era”, by Ms. Viveka Barros, Clinical & Sports Dietitian, "Neoteric Trends in Textiles" by Ms. Sarita Lobo Roy, Senior Lecturer - Department of Garment Technology, Government Polytechnic, Panaji, and “The Tapestry of Human Development: Future Orientations” by Dr. Jahnvee Joshi, Consultant in Education, Training & Research, based in Mumbai & Pune. Endeavouring to provide the participants with first-hand stories of a shift from academia to industry, an Interactive Session titled “One Journey-Different Destinations: Alumni Speak” was conducted at Converge 2024. Six alumni were invited to share their journey after graduating from the Goa College of Home Science. Converge 2024 ended with a Panel Discussion on "Envisioning NEP 2020: Goa's Industry-Academia Connect" moderated by Dr. Jahnvee Joshi. The Panel Discussion brought together experts from diverse fields to explore the implications of the National Education Policy (NEP) 2020 on the academic landscape and its connections with the industry. The panel members included Dr. Mahesh Majik, Associate Professor, R&DI, Goa State Higher Education Council, Dr. Pravina Kerkar, Officiating Principal, Sant Sohriobanath Ambhiye Govt. College of Arts & Commerce, Virnoda, Pernem – Goa, Dr. Abhishek Karmali, Proprietor of Career Crafters and Overseas Education Consultant, Mr. Ricardo D’Lima, Cluster General Manager – Goa & West Coast, & General Manager – Fortune, Miramar, Goa, Ms. Zarine Lobo, Secretary at Fomento Educational and Charitable Society, Goa and Ms. Aziel Marques, Founder of GPS for Parents and the National President at WICCI Equitable Parenting Council, Mumbai.

Each panellist provided valuable insights into different aspects of education and its alignment with industry needs. The engaging Q & A session after the Panellists had voiced their views was an eye-opener for all. Present at the Valedictory Session after the Panel Discussion was Shri Bhushan Savoikar, Director, Directorate of Higher Education – Government of Goa, in addition to other dignitaries. Shri Savoikar patiently and zealously viewed the exhibits displayed by the students of the College. On exhibition were art and crafts, posters, psychological tests, Health Indicator Measurements, informative material, games, activities and food and textile items designed by the students under the guidance of the faculty. Students of Higher Secondary Schools along with their Teaching Faculty attended Converge 2024, which had approximately 160 students and staff from the Goa College of Home Science in attendance. The students were delighted at the level of interaction with industry provided to them through Converge 2024; they were also glad to be able to showcase their skills and knowledge via the Exhibition Corners. Prof. (Dr.) Niyan Marchon, Goa State Higher Education Council, Directorate of Higher Education, Government of Goa was the brain behind Converge 2024.

WORKSHOP ON PRACTICAL RESEARCH SKILLS

The Research Development & Innovation Cell, the Teaching-Learning and Educational Technology Cell, and the Faculty Enrichment Cell of the College organized a 3-day Faculty Enrichment Programme on Practical Research Skills for the Faculty of the College. This workshop was an endeavour to bridge the gap between good knowledge and ideas related to research and the technical skills required for analysis and research writing. Mr. Amit Naik, Assistant Professor, S.S. Dempo College of Commerce and Economics, was the facilitator for

the workshop. Over a period of three days, the workshop covered topics such as: how to enhance a literature review using citation tools, understanding plagiarism software, designing a Google form/online questionnaire, organizing and sorting data in MS Excel and data analysis using 'Jamovi' and 'SPSS'. Each participant had a chance to practically try out the methods and tools that were introduced. The workshop was much appreciated by the faculty members, who expressed that they would find all the software and tools very useful for their work ahead.

TRAINING IN CYBER SAFETY

As part of the training for the formation of a Cyber Safety Cell in the Goa College of Home Science, 14 faculty members, 18 non-teaching staff and 76 students visited the Cyber Wellness Center in St. Inez, Panaji – Goa, over 3 weeks of August and September 2023. The team at Cyber Wellness Center Goa started the training by brushing up on the different cyber crimes or behaviours that are considered as offences and shared cases as examples of these. While the staffs were given information to equip them as guardians of cyber wellness, the students were quizzed about various aspects of the session and awarded prizes for correct answers. The students participated whole-heartedly, even sharing instances from their own lives, which helped in facilitating greater awareness about the importance of responsible online behaviour. They were enthusiastic about being a part of the cyber safety cell in the college so that they could be ambassadors for cyber safety for their peers, family and society in general.

JAPANESE STUDY INDIA PROGRAMME

1. JDSD becomes the knowledge partner for hide, goa

The hospitality Interior and design expo, or HIDE 2023, is a premier event that offers a wide range of solutions to the creative industry for the growth of business, increase of profit, along building strong consumer relationships. JD School of Design was the knowledge partner for this edition of 2023.

Welcome and Introduction by Nikita Fatarpekar: Nikita Fatarpekar opened the event with a warm welcome to the chief guests, introducing them and acknowledging their presence. She elaborated on the purpose of the event, highlighting how it serves as a platform for vendors to gain exposure. She also emphasized the significant role of JD College as an educational partner. The chief guest, accompanied by other dignitaries and Sandra Ma'am, was invited on stage to participate in the traditional lamp-lighting ceremony. Following this, mementos were presented to the dignitaries as a token of appreciation. Sheena D'Cunha then graced the audience with a beautiful welcome dance performance.

Vote of Thanks by Mr. Jivesh: Mr. Jivesh delivered a heartfelt vote of thanks, expressing his gratitude to JD College for the opportunity and acknowledging the contributions of the delegates. He appreciated JD College for being the knowledge partner for the second consecutive year.

Remarks by P.P. Kulkarni: P.P. Kulkarni concluded the session with insightful remarks on the significant impact of MSME in supporting local communities and entrepreneurs, and how it has facilitated growth and expansion.

Online Talk by Rita Mody: Despite being unwell, architect Rita Mody from Goa delivered an inspiring online presentation, showcasing nine of her unique projects. She detailed her design philosophy, emphasizing site-specific designs without adhering to a fixed typology, tailored to her clients' needs.

2. JD Participates in Purple Fest

Event: Purple Fest 2024

Duration: 8th January 2024 - 13th January 2024

Venue: Kala Academy, Panjim

The students and faculties from the institute actively participated in the Purple Fest 2024, an International event held at Kala Academy from 8th to 13th January 2024. This festival aimed to provide a platform for individuals with disabilities to showcase their talents at both the national and international levels.

1. Stall at 'Purple Street': As a significant part of the festival, we set up a stall at the 'Purple Street' within Kala Academy. The stall featured handmade products crafted by students, including crochet items, key chains, earrings, bookmarks, scrunchies, flowers etc. The funds generated through the sale of these products will be allocated for charitable purposes.

Total amount collected: ₹ 11,335.

2. Workshops Conducted: In addition to the stall, JD students organized various workshops, contributing to the vibrant atmosphere of the Purple Fest. The workshops included:

Workshop Facilitators Time & Date

Mehendi put on View Samiksha and Hansili 10:00 AM - 01:00 PM 8th Jan. 2024

Art and Craft Samiksha, Vedha, Apurva, and Hansili 10:00 AM - 01:00 PM 9th and 13th Jan. 2024

Hula Hoop Sheena 03:00 PM - 04:00 PM 10th Jan. 2024

Handmade Paper Making Jewella 03:00 PM - 05:00 PM 11th January 2024

The workshops received enthusiastic participation, attracting individuals from diverse backgrounds, including members of the purple community.

Display of Design Models: The stall also showcased models created by students as part of the curriculum, from the Interior and Fashion Design programs. All student participants were awarded participation certificates, recognizing their active involvement and contribution to the success of the Purple Fest 2024.

3. MSME Conference

Entrepreneurship Awareness Programme (EAP) organized by the MSME Development and Facilitation Office (DFO) in Madgaon, Goa. This event is designed to foster entrepreneurial skills and knowledge among participants and Micro, Small, and Medium Enterprises (MSMEs).

Event Details:

- Date: 9th November 2023
- Time: 11:00 AM
- Duration: 4 hours
- Location: JD School of Design, Panaji, Goa

Program Highlights: The Entrepreneurship Awareness Programme aims to provide a comprehensive platform for engagement, learning, and networking. Key elements of the program include:

- **Engagement with Bank Officials, Experts, and Faculty:** Participants will have the opportunity to interact with bank officials, industry experts, and academic faculty. These interactions will provide valuable insights into the financial, operational, and strategic aspects of entrepreneurship.
- **Valuable Insights into Entrepreneurship:** The program is tailored to serve as a guide for aspiring entrepreneurs, offering practical advice and strategies to navigate the entrepreneurial journey. Participants will learn about the essential components of starting and running a successful business.
- **Government Policies and Schemes:** A significant portion of the program will cover government policies and schemes related to entrepreneurship. This information is crucial for understanding the support and resources available to new and existing MSMEs.

5. Goa's Next-Gen Designers Shine at JD Awards 2024

JD Design Awards 2024 wrapped up its first event in Goa with an inspirational design extravaganza. The collections and designs presented had inspiring stories attached to them. Here, at the crossroads of imagination and innovation, young designers dared to envision the future of design through the lens of future fiction. Influential people from the media, academicians, premium brands, and members of the design industry attended the show.

The event commenced after the lighting of the lamp by Mr. Nealesh Dalal, Managing Trustee - JD Institute of Fashion Technology and Founder of JD School of Design; Ms. Sandra Agnes D'Souza, Director South - JD Institute of Fashion Technology; Mr. Yogesh Dalal, Trustee, JD Institute of Fashion Technology; JD School of Design, Goa; and Ms Neysa Vas, HOD, JD School of Design, Goa.

The future of design is not just about creating aesthetically pleasing designs & collections; they also need to be crafted in a way that tells a story. The design aspirants of the JD School of Design and JD Institute of Fashion Technology presented a comprehensive range of advanced designs that unleashed ground-breaking ideas.

From intricate detailing to the incorporation of technology, the show opened the doors to innovation. The purpose of the JD Design Awards is to mobilize the youth of our country and shape experiences. The curated design extravaganza showcased next-gen talent from Goa who have a passion for becoming future fashion industry leaders.

Mr. Nealesh Dalal says, "JD Design Awards is at the threshold of disrupting the field of design thinking and its discipline. The youth of Goa have shown what it takes to be fashion-forward. This is just the beginning. We envision JD Design Awards as a platform that will propel young designers not just in India but on a global scale, shaping the future of design itself."

On the occasion were **Dr. Niyan Joseph Marchon**, Professor State Higher Education Council, Directorate of Higher Education, Goa, and **Smt. Anne Gonsalves E Carneiro**, Assistant Registrar Undergraduate Examination Department Goa University, **Ms. Rita Godinho E Vaz**, Associate Professor, Goa College of Home Science.

Witnessing the incredible talent on display and the excitement of presenting the awards created a truly cherished memory for all the young designers involved.

Showcasing exceptional talent in fashion design were:

- Vanessa Chrissie Alvares was awarded Best Design Collection for the collection Siren Ebony, which presents a futuristic take on the classic Little Black Dress that seamlessly merges fashion & technology.
- Vaishnavi Mandrekar was awarded Best Pret Wear for the collection Service in Style, which redefines modern fashion for the pragmatic individual.
- Simran Pereira was awarded the Experimental Collection award for the collection Dichotomy in Symphony, which redefines tradition by incorporating waste plastic into sleek, futuristic silhouettes.
- Khatunbi Shifa Panna was awarded Jury's Choice for the collection Neobugs - a Future Unearthed, which envisions a future where technology & biology merge, promoting environmental consciousness.
- Juan Anapaula Piedade Mota was awarded the Special Jury Award for the collection Fluid Fungii Elegance, which blends organic beauty with modern fashion while embracing sustainability.

Adding their visionary touch to the world of interior design were:

- Manasi Manoj Naik Kuradewas was awarded the Critics Award for the design of Nature & Future that embraces the harmony of nature and innovation, where sustainability meets cutting-edge technology.
- Reenaz Abdul Karim Shaikh was awarded the Special Jury Award for the design Creating Haven of Artistic Therapy, which blends technology seamlessly with artistry, creating an intersection of design and culture.

The design industry stands on the brink of transformative change, driven by evolving technology and shifting societal needs. At JD Design Awards, we champion uninhibited creativity while providing clear direction and mentorship to aspiring designers. Serving as a launchpad for the next generation, we offer a platform for showcasing talents, networking with industry leaders, and gaining invaluable insights, empowering designers to navigate and shape the future of design.

PART 7

MAJOR HIGHLIGHTS AND ACHIEVEMENTS OF GOA UNIVERSITY

Introduction

Chapter Seven highlights the major achievements and milestones of Goa University, showcasing its unwavering commitment to academic excellence and holistic development. The university has consistently fostered a culture of innovation and intellectual growth through its extensive research output, impactful publications, and active participation in academic forums. A hub for knowledge dissemination, Goa University has organized numerous events that encourage dialogue, collaboration, and the exchange of ideas across diverse disciplines.

The vibrant campus life is enriched by the dynamic participation of students, faculty, and visiting experts in various activities, workshops, and sports events, reflecting a well-rounded approach to education. Through strategic initiatives and community engagement programs, the university continues to contribute to societal development while maintaining high academic standards. This chapter encapsulates the dedication and accomplishments of the institution, providing a comprehensive overview of its role as a leader in the academic and research landscape.

1. Research Publications: Goa University has made remarkable strides in the field of academic research, with 244 research publications contributing to a wide array of disciplines. This achievement reflects the dedication of the faculty and researchers to advancing scholarly pursuits and enriching the global body of knowledge. These publications underscore the university's role in addressing critical academic and societal challenges through evidence-based research.

2. Book Chapters: The contribution of 34 book chapters authored by the faculty highlights the university's efforts in academic discourse and interdisciplinary research. These chapters serve as valuable resources for students, academicians, and professionals, showcasing expertise in diverse areas of study and adding depth to academic literature.

3. Conferences, Presentations, and Lectures: Faculty and researchers at Goa University delivered 242 conferences, presentations, and lectures during the year. These engagements provided a platform for the dissemination of innovative ideas and facilitated networking with peers at state, national, and international forums. Such active participation reinforces the university's commitment to knowledge-sharing and leadership in the academic community.

4. Seminars, Conferences, and Workshops Organized: By organizing 186 seminars, conferences, and workshops, the university has positioned itself as a hub for intellectual exchange and collaboration. These events covered diverse topics, ranging from contemporary academic issues to pressing global challenges, offering students and faculty opportunities to engage with thought leaders and industry experts.

5. Ph.D.s Awarded: With 55 Ph.D. degrees conferred during the year, Goa University continues to be a nurturing ground for research scholars. This milestone highlights the institution's dedication to fostering a research-oriented culture and preparing scholars who contribute significantly to academia, industry, and society.

6. Guest Lectures Organized: The organization of 90 guest lecturers demonstrates the university's commitment to exposing students and faculty to varied perspectives from eminent speakers. These lectures provided invaluable insights into emerging trends, best practices, and advancements in different fields, encouraging critical thinking and innovation.

7. Books Published: A total of 9 books were published by the university's faculty, showcasing their expertise and scholarly achievements. These publications not only enrich academic literature but also serve as a testament to the faculty's dedication to research and knowledge dissemination in their respective domains.

8. Awards: Recognition for excellence came in the form of 14 prestigious awards received by the university's faculty and students. These accolades celebrate achievements in teaching, research, innovation, and extracurricular activities, reflecting the institution's multifaceted excellence.

9. Seminars/Webinars Attended: Engaging in continuous learning and staying abreast of developments, faculty and students participated in 251 seminars and webinars. These sessions fostered professional growth, encouraged intellectual exchanges, and strengthened the university's connections with the global academic community.

10. Projects Funded: The successful funding of 77 research projects highlights the university's capability to attract resources for advancing innovative ideas and conducting impactful research. These projects address critical issues, foster interdisciplinary collaboration, and contribute to societal development.

11. Visiting Research Professors: Hosting 52 visiting research professors, the university has enriched its academic landscape with diverse expertise and global perspectives. These esteemed guests facilitated collaborations, conducted specialized sessions, and mentored students, enhancing the university's academic vibrancy.

12. Activities by Goa University Campus Students: The students of Goa University have actively participated in 105 activities spanning academic, cultural, and extracurricular domains. Their engagement in such initiatives fosters holistic development, builds leadership skills, and enhances the vibrant campus life that defines the university experience.

13. Activities/Courses/Workshops Conducted Under Chair: With 25 specialized activities, courses, and workshops conducted under various chairs, the university has continued to promote interdisciplinary learning. These initiatives provided participants with insights into emerging fields, hands-on experiences, and opportunities to interact with subject-matter experts.

14. Activities Conducted by DIQA: The Directorate of Internal Quality Assurance (DIQA) played a crucial role in organizing 6 activities aimed at maintaining and enhancing academic and administrative quality. These initiatives align with the University's vision of continuous improvement and adherence to the highest standards.

15. Activities of UBA (Unnat Bharat Abhiyan): Under the Unnat Bharat Abhiyan, Goa University conducted 8 impactful activities focusing on rural development and community engagement. These initiatives reflect the institution's commitment to leveraging academic resources for the betterment of society and fostering sustainable development.

16. Sports: In sports, the university showcased outstanding performance by organizing 24 inter-college events and actively participating in 28 inter-university championships, including the prestigious Khelo India University Games. Notably, two students were selected to represent Indian Universities at the 2024 FISU World University Championship, highlighting the institution's commitment to excellence in sports and holistic student development.

This detailed narration not only highlights Goa University's accomplishments but also underscores its role in fostering an ecosystem of academic excellence, innovation, and community engagement.
