In his welcome address, the Registrar of Goa University, Prof. Sunder Dhuri, described the event as a historic occasion for Goa and Goa University. He emphasized that the initiative would provide Goan students with a valuable platform to prepare for the UPSC examinations and to overcome the various challenges involved in answering the exams. He noted that the institution was established with the objective of creating "Karyakarta Adhikaris"—activist-officers committed to public service. He further mentioned that the institute draws from India's civilizational ethos and incorporates practices such as meditation in its training, with service to the nation as its guiding principle.
