REPORT

NET/SET/GATE Mentoring Sessions 2025-26

School of Chemical Sciences (SCS), Goa University organised NET/SET/GATE Mentoring Sessions 2025-26 for students of SCS from February 2026 to March 2026. Around 30 students were interested for NET mentoring sessions of Chemical Sciences and Biochemistry at SCS.

The objective of this program was to encourage more students to attempt NET/SET/GATE exams and further to help them for quickly solving MCQs that could increase their score. Sessions were conducted in offline mode at SCS. Sessions were conducted in all areas of Chemical Sciences and Biochemistry. Some sessions involved problem solving and solving old question papers. Important notes and references were shared with the students.

Chemistry sessions were conducted by Dr. Hari K. Kadam, Dr Vinod Mandrekar, Dr. Luann Mr. Vishnu Chari, Dr. Sandesh Bugde, Ms. Crecia Oliveira, Dr. Kashinath Dhumaskar, Mr. Pranav Valvaikar and SCS PhD students Ms. Ria Colaco, Ms. Medha Gaude, Mr. Nitesh Venji, Ms. Siddhi Salgaonkar, Ms. Reshma Mulla, and. Biochemistry sessions were conducted by faculties Mr. Saurav Sattarker, Dr Sulochana Shet, Ms. Abha Marathe, Dr Kanchanmala Deshpande and Dr. Prachi Torney.

These sessions helped the students to refresh their content knowledge in subject and strengthen their confidence in appearing for NET/SET/GATE exams. Students also gained confidence in clearing their exams in next few attempts.

In addition to these sessions, students were also guided during regular lectures on important specific subject topic for such competitive exams and related queries from students were solved by all SCS teachers. SCS Faculties continued to help students in solving their difficulties as and when approached.
