11. Description of the Program/activity/event	The webinar on the topic "How to use e-resources on One Nation One Subscription (ONOS)" was held on 9th January 2026 from 3:00 pm to 4:00 pm. The session was conducted online to help students and faculty members understand the new national portal for academic research. The Resource Person explained that the ONOS initiative is a major step by the Government of India to provide free access to thousands of high-quality international journals. During the session, a live demonstration was given on how to log in to the portal and search for research papers using simple keywords. The speaker also showed how students can access these resources. The webinar was very interactive, with many participants asking questions about how to download papers and find specific journals for their subjects. The program ended with a clear understanding of how this platform will make research easier and more affordable for every aspiring researcher.
12. Benefit/Key outcomes of the Program/activity/event	1. Participants gained technical knowledge on accessing e-resources via the national portal. 2. Enhanced awareness of free access to top-tier international journals previously behind 3. Increased motivation for interdisciplinary research through seamless digital resource availability. 4.
