

Report on Visit of Shripatrao Chougule College (Kolhapur)

On 16th December 2025, a group of 32 students and 4 faculty from Shripatrao Chougule College visited the School of Chemical Sciences at Goa University in the morning at 9:30 am. The students were enrolled for in the Bachelor's and Master's programmes in chemistry and microbiology. The visit was coordinated by **Dr Amrita Kharangate** with assistance from **Mr Saurav Sattarkar**, and **Dr Kanchanmala Deshpande**, and the research students.

The visit was carried to familiarise participants with advanced analytical and research instrumentation facilities. The visit provided valuable exposure to modern techniques used in chemical analysis and research.

During the visit, participants were introduced to major instruments including Nuclear Magnetic Resonance (NMR) spectroscopy, Fourier Transform Infrared (FTIR) spectroscopy, High Performance Liquid Chromatography (HPLC), UV-Visible spectrophotometer, chemical analyser, laminar air flow unit, and cooling centrifuge. The functioning, applications, and importance of these instruments in teaching and research were explained by faculty and technical staff.

The group also visited various Faculty Research Laboratories (FRLs), where ongoing research activities were briefly discussed. The interaction helped in understanding practical aspects of instrumentation, laboratory safety, and interdisciplinary research approaches.

Overall, the visit was highly informative and enriched the academic exposure of the participants by bridging theoretical knowledge with practical laboratory applications.

Dr. Amrita Kharangate

(Member)

Ms. Siddhali Girkar

(Chairperson)

Dean (SCS)

School of Chemical Sciences

Goa university

Date: 16/12/2025

Name of visiting

college/university:

Sheipatdao Chougale College affiliated
to Shivaji University Kolhapur

Instrumentation facilities

seen:

① NMR spectrometer

② FTIR

③ HPLC

④ Chemical Analyser

⑤ UV-Visible spectro photometer

Feedback:

Faculties are given more support & guidance to student which improve students knowledge.

Encourage the students and we are getting more information about Instrumentation & Chemical analysis.

Signature of the teacher incharge:

① Shri. P. B. Lavhate

- [Signature]

② Smt. T. S. Kaverdhar

- [Signature]

Attendance of the students (Attached)

School of Chemical Sciences

Visit of Shripatao Chougale Arts & Science College, Malwadi-Katoli.

Date : 16/12/2025

S.N.	Name		Sign
1.	Shinge Ashutosh Jaywant	Assist. Prof	
2.	Lavhate Prakash Bulwant	Assist. Prof	
3.	Kavathekar Tabba Salim	Assist. Prof	
4.	Nale Rutuja Prakash	Assist. Prof	
5.	Kusade Sonal Pandurang	Student	
6)	Suraj Sanjay Patil	student	
7.	Adinath Avinash Sirsat	Student	
8)	Pratiksha Anun Manu	student	
9)	Pratik Bharat Shete	Student	
10)	Sammed Annaso Patil	student	
11)	Harshad Mahesh Korone	student	
12)	Souabhi Dhanaji Patil	student
