Report on Field Trip to Rasraj Farms, Mollem, Goa

1. Title of the Event/Activity/program	Field Trip to Rasraj Farms, Mollem, Goa
2. Date and Time	23rd January 2026
3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	Goa Business School
5. Number of Faculty attended/participated	03
6. Number of Student attended / participated	28
7. The objectives of the Program/activity/event	The objective of the field trip was to provide students with firsthand exposure to rural and agricultural economic practices. The visit aimed to help students understand how sustainable farming techniques are applied in real-world settings and to observe the challenges and innovations in local agricultural systems.
8. Description of the Program/activity/event	The one-day field trip to Rasraj Farms, Mollem, offered students an immersive experience in agricultural economics. They were introduced to organic and sustainable farming techniques, crop planning, water management, and the economic decision-making processes involved in running a farm. Students interacted with farm staff and observed rural livelihoods in action. The trip bridged classroom learning with on-ground realities, fostering an appreciation for the complexities of rural economic activity and the importance of sustainability in agriculture.

9. Benefit/Key outcomes of the Program/activity/event	Students gained practical exposure to rural agricultural systems and the economics behind farm operations. They observed sustainable practices and learned how farming decisions are shaped by ecological, financial, and market factors. The visit enhanced their understanding of rural development and agricultural economics and motivated them to explore these themes further through research and academic projects.
10. Enclosures with report	Geo-tag photos, Attendance of students and faculty
