8. The objectives of the Program/activity/event	AXIOM 1.0 was designed to provide a competitive and intellectually stimulating platform for undergraduate and postgraduate economics students across Goa. The core objectives were: (i) to foster analytical thinking and application of economic concepts in real-world contexts; (ii) to develop communication, argumentation, and creative skills among students; (iii) to encourage interdisciplinary engagement linking economics with sustainability, technology, and current affairs; and (iv) to promote healthy academic competition and inter-institutional exchange among colleges affiliated with Goa University.

...up on of the
Program/activity/event

AXIOM 1.0, organised by Goa Business School, Goa University, was a one-day inter-collegiate economics festival held on 6 March 2026 at Block GBS. Eight colleges participated, with a total of 72 students accompanied by 10 faculty members. The event comprised seven competitive events: Pixelonomics (Photography), Brainnomics (Quiz), EconoQuest (Treasure Hunt), Arthonomics (Poster Making), From Scrap to Surplus (Best out of Waste), BizNova (Business Pitch), Ideology in Conflict (Debate), and Speakonomics (Extempore). Events commenced post-inauguration at 9:30 AM and concluded with the Quiz Final Round at 3:30 PM. Each event tested distinct competencies ranging from visual storytelling and logical reasoning to entrepreneurial thinking and oratory.

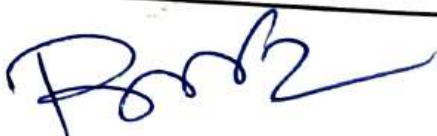

10. Benefit/Key outcomes of the Program/activity/event

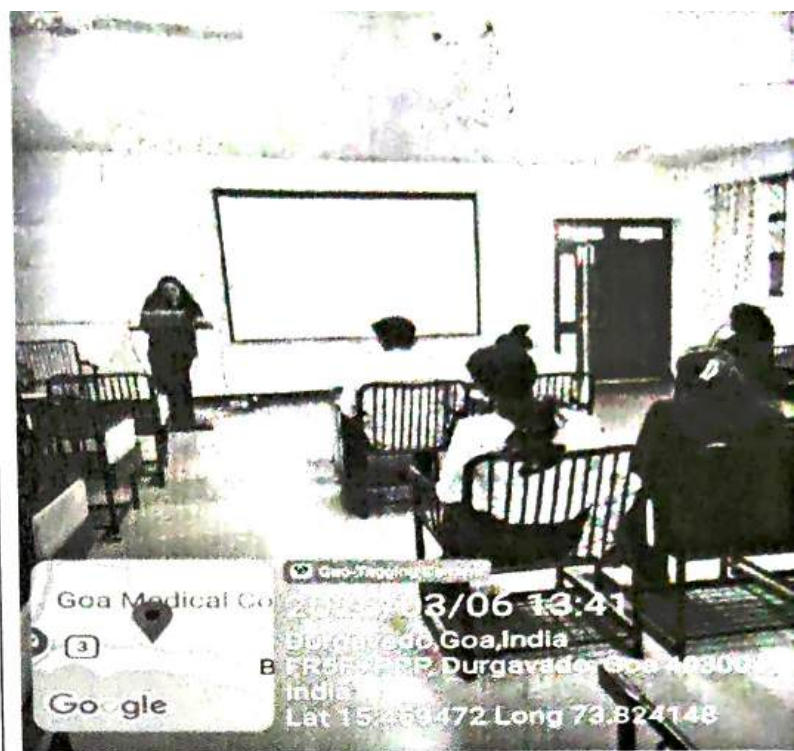

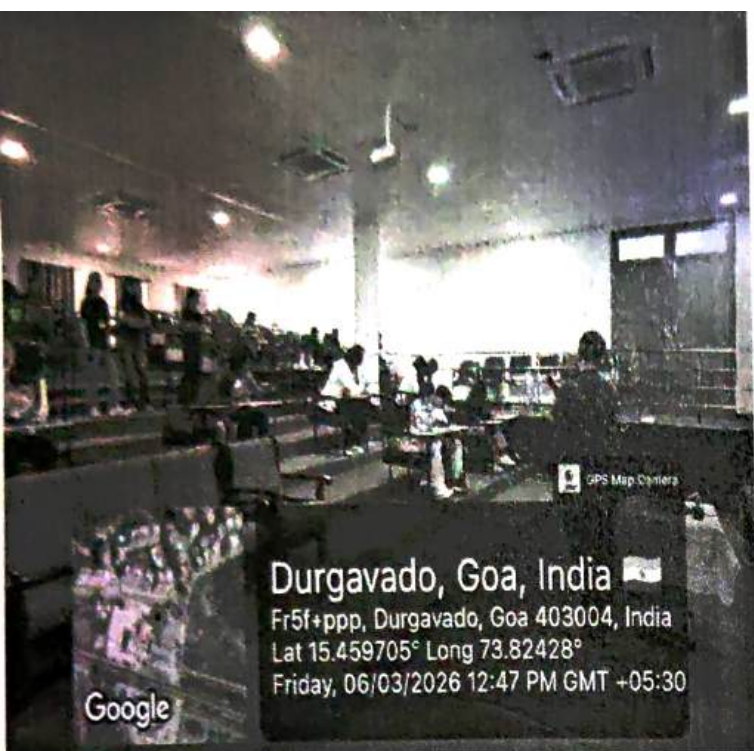

The festival provided students with a dynamic arena to apply economic theory beyond the classroom. Participants demonstrated an enhanced ability to connect macroeconomic and microeconomic concepts with contemporary issues such as AI-driven employment shifts, sustainability, Goa's real estate economy, and global trade policy. The event cultivated public speaking, critical thinking, teamwork, and creative problem-solving skills. Inter-college networking fostered a broader academic community among economics students in Goa.
