Report On “Workshop on Exploring the Intersection of Law and Society
Theme on Cybersecurity and Cyber Law: Emerging Challenges and Legal
Frameworks”.

1. Title of the Event/Activity/program	Workshop On Exploring the Intersection of Law and Society Theme on Cybersecurity and Cyber Law: Emerging Challenges and Legal Frameworks.
2. Date and Time	14 th March 2026, Time: 09.30 am, Venue: Srinivassa Sinai Dempo College (Autonomous), Cujira, Bambolim Goa.
3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	Manohar Parrikar School of Law, Governance and Public Policy and UGC Centre for the Study of Social Inclusion of D. D. Kosambi School of Social Sciences and Behavioural Studies.
5. Collaborating Agency/School/Directorate	1. Directorate of Equal Opportunity Cell 2. Srinivassa Sinai Dempo College (Autonomous), Cujira, Bambolim Goa.
6. Detail of the Resource Person (Brief biodata)	Chief Guest Hon’ble Shri. Pravin Phal Dessai Deputy- Solicitor General of India. Guest of Honour Mr. Vidyanand Pawar Police Inspector Cyber Crime Police Station Goa Police Ribandar Goa. Prof. (Dr) Manoj S. Kamat Principal Srinivassa Sinai Dempo College (Autonomous), Cujira, Bambolim Goa.

	Resource Person Mr. Shounak Deshpande, Sansrujan Information Technology. Adv. Leon Almeida, Advocate High court Dr. Vijay Madhu Gawas, Assistant Professor, MPSLGPP, Goa University Mr. Saprem Shrivoikar, Assistant Professor, MPSLGPP, Goa University
7. Number of Faculty attended/participated	06 faculty members
8. Number of Student attended / participated	88
9. No. of external students/faculty/other participants	92
10. The objectives of the Program/activity/event	Workshop On Exploring the Intersection of Law and Society Theme on Cybersecurity and Cyber Law: Emerging Challenges and Legal Frameworks has the following objectives: 1. To create awareness about cyber security and the growing risks of cybercrimes such as hacking, phishing, identity theft, and online fraud in the digital age. 2. To educate students on safe digital practices and the importance of protecting personal and sensitive information while using online platforms. 3. To provide basic knowledge of cyber laws, including relevant provisions under the Information Technology Act and data protection regulations. 4. To help students understand their legal rights and responsibilities in cyberspace and the legal remedies available in case of cybercrime incidents.

	5. To develop the ability to identify cyber threats and adopt preventive measures such as strong passwords, secure browsing, and recognizing suspicious activities. 6. To highlight the importance of legal compliance and ethical behavior in the use of digital technologies. 7. To bridge the gap between technical knowledge and legal awareness, enabling students to approach cybersecurity issues from both perspectives. 8. To encourage critical thinking on emerging cyber challenges, including issues related to privacy, data protection, and cross-border cybercrimes. 9. To promote interest in cybersecurity careers and skill development, addressing the growing need for trained professionals in this field. 10. To foster collaboration and dialogue between students, legal experts, and cybersecurity professionals for a safer digital ecosystem.
11. Description of the Program/activity/event	The was designed as an informative and interactive programme to create awareness among students about the growing challenges in the digital world. In an era where technology plays a vital role in everyday life, students are increasingly exposed to online platforms for education, communication, and entertainment. This workshop aimed to equip them with essential knowledge and skills to navigate the digital space safely and responsibly. The programme provided a comprehensive understanding of cybersecurity by highlighting common threats such as hacking, phishing, identity theft, ransomware attacks, and online fraud. It emphasized the importance of

protecting personal and sensitive information and adopting safe digital practices. Students were made aware of how careless online behavior can lead to serious consequences, both personally and legally.

A significant component of the workshop focused on **cyber laws and legal awareness**. Participants were introduced to the legal framework governing cyberspace, including provisions under the Information Technology Act, data protection regulations, and privacy laws. The workshop also explained the legal remedies available to victims of cybercrimes and the responsibilities of individuals in maintaining lawful online conduct.

The programme also addressed key issues such as the rising incidence of cybercrimes, lack of awareness among users, challenges in enforcing cyber laws, and the shortage of skilled professionals in this field. Through discussions and practical examples, students gained insight into how these challenges impact society and the importance of being vigilant digital citizens.

By integrating both technical and legal perspectives, the workshop successfully bridged the gap between theoretical knowledge and practical application. It encouraged students to adopt proactive measures such as using strong passwords, identifying suspicious online activities, and safeguarding their digital identity.

Overall, the workshop served as a valuable platform for students to enhance their understanding of cybersecurity and cyber laws, empowering them to protect themselves and contribute to a safer and more secure digital environment.

12. Benefit/Key outcomes of the Program/activity/event	1. Improved Cyber Awareness: Students develop a strong understanding of various cyber threats such as hacking, phishing, identity theft, and online fraud, enabling them to stay alert and cautious in the digital environment. 2. Knowledge of Cyber Laws: The programme enhances students' awareness of important cyber laws, including provisions related to data protection, privacy, and the IT Act, helping them understand their legal rights and responsibilities in cyberspace. 3. Enhanced Digital Safety Skills: Students learn practical techniques to protect their personal and academic data, such as creating strong passwords, identifying suspicious online activities, and maintaining secure digital practices. 4. Legal Literacy and Empowerment: The workshop empowers students with knowledge about legal remedies and procedures available in case of cybercrimes, enabling them to take informed actions when required. 5. Critical Thinking and Problem-Solving: Exposure to real-life cyber issues and legal challenges helps students develop analytical skills to assess risks and respond effectively to cybersecurity threats. 6. Career Awareness and Opportunities: The programme introduces students to emerging career paths in cybersecurity and cyber law, encouraging them to explore professional opportunities in these high-demand fields. 7. Responsible Digital Citizenship: Students gain a sense of responsibility towards ethical use of technology and adherence to legal norms, promoting safe and respectful online behavior.
--	---

	8. Understanding of Regulatory Compliance: The workshop familiarizes students with the importance of compliance with data protection and cybersecurity standards, which is essential for future professional roles. 9. Interdisciplinary Learning: By integrating technical and legal perspectives, students gain a holistic understanding of cybersecurity, bridging the gap between law and technology. 10. Collaboration and Networking Skills: Interaction with experts and peers enhances communication skills and encourages collaborative approaches to tackling cyber issues.

Subject: Acceptance for Conducting Workshop on Cyber Security

Greetings from our institution.

With reference to your proposal regarding the workshop on "*Cybersecurity and Cyber Law: Emerging Challenges and Legal Frameworks*," we are pleased to inform you that we accept your request to conduct the workshop at our college.

We appreciate your initiative in organizing this informative and relevant programme for our students. Our institution will extend full cooperation to ensure the smooth conduct of the workshop.

We look forward to a successful collaboration.

Thank you.

Warm regards,

Prof. (Dr.) Manoj Kamat
Principal
Srinivassa Sinai Dempo College (Autonomous)
