|                                                               | specific architectural designs were related to history that they studied in the classroom. It enabled them to appreciate the courses such as Debates in Indian History and Researching History through Subaltern Studies.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| <b>11. Description of the Program/activity/event</b>          | <p>On 15/08/2025 the team visited the Darga of Baba Budangiri and Shiva temple in Chikkamagaluru. The temple is known for syncretic practice involving Hinduism and Islam.</p> <p>On 16/08/2025 we visited the temples and other monuments of Belur, Halebid and Shravanabelagola including Gomateshvara statue. It was built by the western Ganga minister Chavundaraya. The complex has many inscriptions, sculptures, Jaina figures and other objects of interest. In Belur and Halebid, the team visited the Chennakeshava temple and Hoysalesvara temples.</p> <p>On 17/08/2025 the team visited the Deviramma temple, which is known for the worship of the indigenous deity and its relationship with the puranic deity.</p> <p>In the evening (4.00 pm) the team reached the Birur railway station to board the train to Goa.</p> |
| <b>12. Benefit/Key outcomes of the Program/activity/event</b> | <p>The students were able to appreciate the excellent craftsmanship of the ancient craftsmen and artisans who have depicted various scenes on the temples. There are images of gods, goddesses, men, women, dancers, horses, elephants, wars and so on. The students learned regarding the topics such as feudalism debate, urban decay debate, state formation and subaltern studies.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>13. Enclosures with report</b>                             | <p>Photos, Geo-tag photos, Attendance of students/faculty/external participants.<br/>Enclosed</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
