It is also having alumni association for its school named, Chemistry Department Faculty Alumni Association, CDFAA (CDFAA webpage) registered under Societies Registration Act, 1860 with Reg. No. 491/Goa/2010. Goa University is organizing different alumni activities in its school/program. Following is some of the activities done at Goa University, including alumni meet, lecture by Alumni, awards functions, etc.

Report 1: Directorate of Student Placement and Alumni Relations (DSPAR)

Goa University Alumni meet organized by DSPAR on 21st December 2024

The Directorate of Student Placement and Alumni Relations (DSPAR), Goa University, organized the Goa University Alumni Meet on Saturday, 21 December 2024, at the University campus. The event was attended by more than 95 alumni.

The primary objective of the meet was to strengthen relationships with alumni and build a vibrant professional network. The programme provided an opportunity for alumni to reconnect with their alma mater, interact with faculty members and fellow graduates, and learn about recent developments at the University.

The event featured institutional updates, interactions with distinguished alumni, recognition of outstanding alumni achievements, cultural entertainment, and a fellowship dinner. The gathering also encouraged alumni to contribute to the University's growth through mentoring, networking, charitable initiatives, and future collaborations.

Report 2: School of Chemical Sciences

12th Annual Get-together cum Home-coming (1999–2001 Batch) on 26th January 2025

The Chemistry Department Faculty & Alumni Association (CDFAA), in association with the School of Chemical Sciences (SCS), Goa University, organized the 12th Annual Get-together cum Home-coming of the M.Sc. Chemistry (1999–2001 Batch) on 26 January 2025 from 2:00 p.m. to 5:30 p.m.

The programme was conducted in hybrid mode, enabling alumni residing abroad and outside Goa to participate online.

Several alumni attended the programme in person, while Ms. Sweta Samant joined virtually from the United States of America. This annual event, traditionally held every Republic Day, honours alumni who completed 25 years after their post-graduation.

The event provided an opportunity for alumni to reconnect with their former teachers, including retired faculty members, and interact with classmates after many years. It also strengthened alumni engagement and created opportunities for academic collaborations, industry interaction, and student mentoring and placement support.

The gathering brought together alumni and faculty members to celebrate long-standing academic relationships, share professional experiences, strengthen institutional ties, and encourage collaborations that benefit current students through mentorship, internships, and placement opportunities.

Report 3: School of Biological Sciences & Biotechnology

Alumni Guest Lecture on "Stress Management and Mental Well-being" on 13th March 2025

The Botany Discipline of the School of Biological Sciences & Biotechnology organized an alumni guest lecture titled "Stress Management and Mental Well-being" for M.Sc. and Ph.D. students on 13 March 2025 at the Biotechnology Seminar Hall.

The resource person, Ms. Nikita Gupta, an alumna of the Botany Discipline and Founder of Vois Up as well as Project Manager at the Goa Livelihoods Forum (FIDR), shared practical strategies for managing academic and professional stress.

The lecture aimed to help students understand the causes and effects of stress, develop effective coping mechanisms, build emotional resilience, and maintain a healthy balance between academic responsibilities and personal well-being.

Report 4: Directorate of Student Placement and Alumni Relations (DSPAR)

Alumni Get-together on 14th August 2025

The Directorate of Student Placement and Alumni Relations (DSPAR) organized an Alumni Get-together on 14 August 2025 at the Goa University campus.

The programme was organized to express gratitude to alumni for their active participation and valuable contributions during the interaction with the NAAC Peer Team. Their enthusiastic involvement significantly contributed to showcasing the University's achievements, academic excellence, and institutional legacy during the accreditation process.

The celebration was graced by the Registrar, Prof. Sunder N. Dhuri, who congratulated the alumni and acknowledged their continued support in the University's successful attainment of the NAAC A+ Grade.

Report 5: School of Biological Sciences & Biotechnology

Alumni Talk on "Frozen Frontiers: Limnology and the Hidden Winter Secrets of Arctic Lakes" on 16th September 2025

The School of Biological Sciences & Biotechnology organized an inspiring alumni lecture titled "Frozen Frontiers: Limnology and the Hidden Winter Secrets of Arctic Lakes" on 16 September 2025.

The lecture was delivered by distinguished alumnus Dr. A. M., who shared his research experiences from Arctic environments and explained the physical, chemical, and biological processes occurring beneath ice-covered lakes during winter.

The session highlighted the importance of limnological research in understanding climate change and freshwater ecosystems. An engaging interaction with students and faculty followed, motivating participants to explore research opportunities in environmental science, ecology, and climate studies.

Report 6: Goa Business School

CST Alumni Meet 2025 – InfoFest 2025 on 18th October 2025

The CST Alumni Meet 2025 was organized by the Goa Business School as part of InfoFest 2025 on 18 October 2025.

The event brought together alumni from various graduating batches, creating a platform for networking, professional interaction, and strengthening connections with their alma mater.

Alumni shared their career journeys, industry experiences, and insights into emerging opportunities in information technology and business management. Their interactions provided valuable career guidance to current students while strengthening collaboration among alumni, faculty members, and students.

The event successfully reinforced the University's commitment to fostering lifelong alumni engagement and promoting meaningful academic and professional partnerships.
