

Goa University
Directorate of Internal Quality Assurance
Report on Outcome-Based Education (OBE) Attainment Computation

1. Title of the Event/Activity/program	Outcome-Based Education (OBE) Attainment Computation
2. Date and Time	04 th May 2026 at 3.00 PM
3. Mode of conduct (Physical/Online)	Physical mode
4. School/ Directorate/ Section	Directorate of Internal Quality Assurance
5. Detail of the Resource Person (Brief biodata)	<u>Prof (Dr.) Niyan Marchon</u> Programme Director, Goa Higher Education Council, Directorate of Higher Education
6. Number of Faculty attended/participated	28
7. No. of other participants	05
9. The objectives of the Program/activity/event	To orient the participants about computations related to attainment of OBE across various on-campus programmes in Goa University.
10. Description of the Program/activity/event	DIQA organized one-day workshop on "OBE Attainment Computations" for the benefit of School NAAC coordinators, Programme Directors and other interested teachers to orient them about OBE attainment computations and provide hands-on training with respect to related calculations using the pre-designed spreadsheet templates. Prof. Niyan Marchon was the chief resource person for the programme. He provided information

	about the need of OBE, the structure of OBE computations and also demonstrated calculations related to OBE attainment. The programme was attended by 28 teacher participants from various Schools and 5 staff members.
11. Benefit/Key outcomes of the Program/activity/event	- Participants benefitted from a discussion on the need and motivation for OBE. - Improved understanding of concepts and computations related to OBE. - Hands-on training on pre-designed spreadsheets for computation of OBE scores. - Resolved queries related to OBE calculations.
12. Enclosures with report	Notice email, geo-tagged photos, and Attendance of faculty

Subject: Training for OBE Attainment calculation for School NAAC Coordinators

To: Vice Deans of School <vicedeansofschools@unigoa.ac.in>

Cc: Deans On Campus <deansoncampus@unigoa.ac.in>, Mr. R.S. Gad <rsgad@unigoa.ac.in>

Dear Sir/Madam

With reference to an earlier email from IQAC requesting schools to submit the OBE attainment calculations for Sem I and Sem II courses of AT 2025-26, the IQAC has received requests from some faculty members to provide training on the related computations as not all faculty members could participate in the previously organized training programme.

IQAC has therefore scheduled a training workshop in OBE Attainment Calculations **for the School NAAC Coordinators** who will then provide necessary guidance to the teachers from their respective schools. The Deans/Vice-Deans are therefore requested to depute the School NAAC coordinators to attend the workshop. Any queries from the teachers with regards to the attainment calculations or Excel file may also be shared with the School NAAC coordinators before the workshop so as to resolve all possible doubts on OBE attainment computations.

May please note the details of the workshop:

Date - May 4, 2026

Time - 2.30 PM onwards

Venue - GBS Auditorium

Resource person - Prof. Niyan Marchon

Regards

IQAC
