	opportunities.
11. Description of the Program/activity/event	The program was organized to orient the Part I students admitted newly to the PG programmes of MCA, M.Sc. AI, and M.Sc. DS. The Dean of GBS encouraged the students to address Goa-centric issues and to identify and contribute towards addressing local challenges. Students were made aware of the opportunities of working in an interdisciplinary manner as part of GBS. The Vice Dean (Research), provided insights into competitive examinations such as NET, SET, and GATE, highlighting their relevance to higher education and research opportunities. The Vice Dean of Academics spoke about internship and placement opportunities available to students. Subsequently, senior faculty members of the Discipline of Computer Science and Technology addressed the students, sharing guidance and insights related to their academic and professional journey.
12. Benefit/Key outcomes of the Program/activity/event	The Key Outcomes of the session were: • Students gained awareness of academic, research, internship, and placement opportunities. • Students were encouraged to identify and contribute towards addressing Goa-related issues and work in interdisciplinary teams. • Students received information about competitive examinations such as NET, SET, GATE, etc.
13. Enclosures with report	Photos of the event, attendance sheets, and flyer.
