# Goa University Faculty Members Receive Best Paper Award at 2nd JETNET Annual Conference

Goa University faculty members **Ms Ankita Chari and Senior Prof. Pranab Mukhopadhyay**, along with **Mr Rahul Basu of the Goa Foundation**, have received the **Best Paper Award** at the 2nd International Annual Conference of the Just Transition Knowledge Network (JETNET), held in Goa.

The award-winning paper, titled *"The Income Illusion: Sub-soil Resource Rents, Capital Liquidation and the Overstatement of National Income"*, was co-authored by Ms Ankita Chari, Mr Rahul Basu (Goa Foundation) and Senior Prof. Pranab Mukhopadhyay.

The conference was organised by the **Just Transition Research Centre (JTRC), Department of Humanities and Social Sciences, Indian Institute of Technology Kanpur**, at the International Centre Goa, Dona Paula. The conference focused on the theme *"Transitions in Extractive Regions: Sustainable Closures, Repurposing and Developmental Pathways"*.

This recognition highlights the research contributions of the authors and brings distinction to Goa University. The University congratulates the award recipients on this achievement and wishes them continued success in their academic and research endeavours.
